Research Analysis

SB 862 provides that buildings or property owned by a county or municipal government or any trust or authority with a county or municipal government as a beneficiary can be designated by the governing body as a smoke-free location, which is defined as an area where the use of tobacco, nicotine, marijuana or other smoked or vaporized products are prohibited. Additionally, the measure specifies that the required 1,000-foot distance between dispensaries and schools is to be measured from any entrance of the school to the nearest property line point of the dispensary.
