

Bill Summary
1st Session of the 58th Legislature

Bill No.:	HB 1007
Version:	ENGR
Request No.:	
Author:	Sen. Garvin
Date:	03/19/2021

Bill Analysis

HB 1007 provides that there is a rebuttable presumption that a statement appearing on a social media posting or other electronic communication attributed to a person testifying is the statement of that individual. The measure expands the definition of harassment to include harassment via social media or other electronic communications that are untrue or invade one's privacy and serves no legitimate purpose.
