

Bill Summary
1st Session of the 58th Legislature

Bill No.:	HB 1151
Version:	ENGR
Request No.:	
Author:	Sen. Howard
Date:	04/05/2021

Bill Analysis

HB 1151 modifies the child custody hearing process to give courts the option to consider evidence of the ability of parents to communicate on issues related to their children in addition to evidence of harassment, domestic violence and stalking. The measure provides that if equal access is not granted to both parents, the court shall issue findings and conclusion of law to support its decision
