Bill Analysis

HB 1935 exempts the sales of tangible property to a nonprofit entity organized prior to January 1, 2022, that provides assistance to natural persons following a disaster as defined in the measure. Such assistance must emphasize repair or restoration to single-family residential dwellings, or the construction of a replacement single-family residential dwelling. The entity must expend at least 75% of its funds on the restoration to single-family housing following a disaster to be eligible for the program.
