

Bill Summary
1st Session of the 58th Legislature

Bill No.:	HB 2180
Version:	ENGR
Request No.:	
Author:	Sen. McCortney
Date:	04/12/2021

Bill Analysis

HB 2180 directs state agencies to make payroll deductions for the payment of any insurance premiums due a private insurance organization or service company upon the request of a state employee. The measure strikes the requirement for such organizations or companies to be regulated by the State Insurance Commissioner and have a minimum participation of 500 state employees for legal services.
