**Bill Analysis**

HB 3364 requires each voter applying for an absentee ballot by electronic means to provide their name, birth date, identification number, and other information as may be prescribed by the Secretary of the State Election Board. Voters are authorized to provide multiple identification numbers used in their registration record if they do not recall which identification number they were issued. If the name, birth date, or any identification number provided does not match the voter registration record, the voter shall be informed of the failure to match the voter registration record and shall be provided information and instruction to contact the county election board. If the application does not contain the information specified in this measure, such a voter shall be ineligible for absentee voting by electronic means but may apply for an absentee ballot in person. Each voter applying for an absentee ballot by electronic means shall be required to confirm their address no later than January 1, 2023.
