

Bill Summary
1st Session of the 58th Legislature

Bill No.:	HB 3566
Version:	CS
Request No.:	3791
Author:	Sen. Allen
Date:	04/18/2022

Bill Analysis

HB 3566 requires any public utility subject to regulation by the Corporation Commission to submit annual emergency update plans and maintenance plans for the following calendar year to the Commission no later than December 1 each calendar year. Such utilities must have an annual emergency update plan and maintenance plan on file with the Commission for any given calendar year.
