

Bill Summary
2nd Session of the 58th Legislature

Bill No.:	SB 1243
Version:	INT
Request No.:	2499
Author:	Sen. Quinn
Date:	01/11/2022

Bill Analysis

SB 1243 provides that vehicles that require a transfer to a salvage title or junked title resulting from an insurance claim that utilizes an out-of-state or tribal title may have the titled issued without a vehicle identification number inspection. The measure also provides that documents used required for a transfer of the ownership of a vehicle to an insurer resulting from the settlement of a total loss claim require a notarized signature may be signed electronically.
