Bill Analysis

SB 1522 modifies the term “harmful to minors” as it relates to criminal statutes to include the act of any adult to knowingly give obscene material to a minor without direct knowledge or consent of the minor’s parents or legal guardian. The measure also provides that “harmful to minors” will include the distribution of such material to vulnerable persons or a person experiencing homelessness. Additionally, the measure expands the list of areas relating to critical infrastructure and loitering to include any county-owned property.

CCR Changes

The Conference Committee Report for SB 1522 removes all previously engrossed language and substitutes it with the language described above.
