Bill Analysis

SB 1544 prohibits a public school, public charter school, or public virtual charter school from knowingly entering into a transaction with an individual or entity that performs abortions, induces abortions, or provides abortions. It directs each school district board of education and governing board of a charter school or virtual charter school to adopt a policy reflecting the prohibition. The measure directs the State Board of Education to require a board of education or governing board that knowingly violates the bill's provisions to appear before the Board to determine why the violation occurred and how to prevent a violation in the future.
