Bill Analysis

SB 1556 directs the Oklahoma Health Care Authority to provide Medicaid coverage for medically necessary pasteurized donor human milk and donor human milk-derived products in a home setting. A physician, physician assistant, or Advanced Practice Registered Nurse must sign an order providing that such milk is medically necessary. Such milk must also adhere to quality standards of the Human Milk Banking Association of North America. The Authority is directed to promulgate rules and regulations to implement the provisions of this measure.
