Bill Analysis

SB 1592 creates the Educators' Professional Liability Insurance Program. The Program will provide coverage of up to \$1 million to full-time and part-time employees of a school district. The Program shall be administered by the Office of Management and Enterprise Services (OMES). The measure directs OMES to contract liability insurance from a licensed insurer, create a self-insured risk pool, or use a combination of both. Annual costs for the program shall be covered by annual appropriations from the Legislature. The State Department of Education is directed to provide notification of the Program to eligible employees upon hiring them and annually thereafter.
