Bill Analysis

The CS for SB 1716 provides that the provisions of the Roofing Contractor Registration Act shall not apply to commercial labor-only subcontractors duly registered under the Act working on projects valued at less than \$500,000.00. Such subcontractors shall not be required to have a commercial endorsement if the commercial endorsed roofing contractor providing direct supervision assumes full responsibility over the actions and performance of the commercial labor-only subcontractor on contracts valued at less than \$500,000.00.
