Bill Analysis

SB 1726 expands the category of schools as it relates to medical marijuana dispensary setback requirements to include technology centers. The measure also includes medical marijuana commercial growers in the setback requirement and prohibits any grower operation from adjoining a public school or private school. A property owned, used, or operated by a public school or by a private school that is not used for classroom instruction on core curriculum shall not constitute a public school or private school unless such property is located on the same campus as a building used for classroom instruction on core curriculum.

House Amendments

HA's to the measure adds language to the measure specifying that a grower may not adjoin to a public or private school property.
