

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SB 174
Version:	INT
Request No.:	928
Author:	Sen. Rader
Date:	12/22/2020

Bill Analysis

SB 174 requires each laboratory director of a state-approved medical marijuana testing facility to possess a bachelor's degree in the chemical, environmental, biological or physical sciences, or engineering. Additionally, each director must have at least 2 years of experience in the environmental analysis of representative inorganic and organic analytes or at least 1 year of experience with a master's or doctoral degree.
