

Bill Summary
2nd Session of the 58th Legislature

Bill No.:	SB 1830
Version:	INT
Request No.:	2839
Author:	Sen. Pugh
Date:	01/28/2022

Bill Analysis

SB 1830 clarifies that the Oklahoma Advanced Mobility Pilot Program shall focus on advanced mobility technologies to enhance the transportation opportunities available for Oklahomans and those that transact commerce. The measure provides that both advanced ground transportation and advanced air mobility vehicles will be included in the program. The measure increases the maximum amount of funds that may be awarded to each applicant from \$500,000.00 to \$5 million. No entity may receive multiple awards until a period of 2 years has passed.
