Bill Analysis

The CS for SB 252 requires all public and charter high schools to offer a minimum of one computer science course beginning in the 2024-25 school year. It also requires all public and charter elementary and middle schools to offer instruction in computer science beginning in the 2024-25 school year. It allows the courses to be offered in an in-person setting or as a virtual or distance course when a traditional classroom setting is not feasible.
