

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SB 300
Version:	INT
Request No.:	365
Author:	Sen. Rosino
Date:	01/07/2021

Bill Analysis

SB 300 requires the court that issued a temporary guardianship for vulnerable adults as it relates to involuntary protective orders to dismiss the temporary guardianship when the underlying conditions that created the emergency have been removed. The measure also requires the Department of Human Services limit provided services in temporary guardianships to protective services or the establishment of eligibility for protective services for the person and estate. The measure also directs the Department to request dismissal of a temporary guardianship when certain conditions are met.
