

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SB 429
Version:	INT
Request No.:	864
Author:	Sen. Thompson
Date:	01/18/2021

Bill Analysis

SB 429 changes the appointing authority of the Chief Information Officer from the Governor to the Director of the Office of Management and Enterprise Services (OMES). The measure also removes statutory qualifications for the Chief Information Officer. Additionally, the duty of approving all state agency purchases of all information technology and telecommunication services to recommending the purchase of such devices to the Director of OMES.
