Bill Analysis

SB 497 prescribes the specific titles licensed health care providers, including physicians, Registered Nurses, Licensed Practical Nurses, Advanced Practice Registered Nurses, and physician assistants, may use in advertisements and in professional identifications. Advertisements may disclose only the applicable license under which the provider is authorized to provide services. The measure requires any health care provider to display a copy of the provider's license in a prominent place in an office area visible to current and prospective patients and to wear an identification badge.
