

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SB 618
Version:	INT
Request No.:	427
Author:	Sen. Hicks
Date:	01/21/2021

Bill Analysis

SB 618 directs the Department of Transportation to implement a complete streets policy after consulting with state and regional agencies, local governments and any other relevant authorities. Such a policy shall include the planning, scoping, design, implementation, operation and maintenance of roads in order to reasonably address the safety and accessibility needs of users of all ages and abilities. The Department must publish a plan to implement the policy no later than December 1, 2022.
