

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SJR 6
Version:	INT
Request No.:	1277
Author:	Sen. Montgomery
Date:	01/04/2021

Bill Analysis

SJR 6 submits to the people a constitutional amendment raising the balance in the Constitutional Reserve Fund required to provide assistance to the General Revenue Fund from \$80 million to \$100 million and authorizes the amount that may be appropriated from the fund from \$10 million to \$20 million. Additionally, monies from the fund may be utilized to aid small businesses affected by a catastrophic health emergency declared by the Governor. The measure also removes the requirement for the independent committee awarding incentives to give priority to certain businesses.
