Fiscal Analysis

HB 1010 creates the Advisory Council on TBIs at OSDH with 11 members. The State Medical Examiner and each physician shall provide a report to OSDH within 7 days of identifying an individual with a TBI. An annual report of this information shall be provided to the Council. OSDH shall also conduct an annual survey of nursing facilities on the number of people under 55 residing in the facilities that have a TBI. OSDH believes it will need 1.6 FTE (\$106,605,10 cost) in order to carry out the measure in addition to \$8,818.54 in milage and IT costs for a total estimated annual cost of \$115,423.67.

FY'22 Impact: \$115,423.67

Full Year Impact: \$115,423.67
