

Fiscal Impact
2nd Session of the 57th Legislature

Bill No.:	HB 2174
Version:	ENGR
Author:	Sen. Rosino
Date:	03/16/2021

Fiscal Analysis

HB 2174 establishes the Oklahoma Aeronautics Commission as the clearing house for Unmanned Aircraft Systems (UAS) in the state, requires the clearinghouse to conduct research on similar efforts in other states and maintain registries of UAS in operation and educational institutions offering UAS training programs, and clarifies existing terms and definitions.

FY'22 Impact: None

Full Year Impact: None
