<b>Bill No.:</b>	<b>SB 1583</b>
<b>Version:</b>	<b>INT</b>
<b>Author:</b>	<b>Sen. Treat</b>

**Fiscal Analysis**

SB 1583 allows the parent or legal guardian of a student enrolled in a resident district that has received an "F" overview grade through the accountability system in the immediately preceding school year to request a transfer allowance for the student to enroll in a private school. It requires the State Department of Education to approve private schools in which students may enroll. The bill directs the Department to calculate the transfer allowance based on the amount of State Aid for which the eligible student qualifies.

OSDE is unable to estimate the number of students who may become eligible for the transfer allowance. Estimated cost (allowance amount per student) calculated below is based on FY 22 initial state aid factor \$3,517.12.00 grade level weight range of 1.0-1.5 and disability weight range of 0.4-2.5. Cost will vary with changes in grade level weight and disability weights. Allowance per student for a school year is projected to range from \$4,924.00-\$14,068.00, further adjusted by the actual cost of tuition and 2.5% fee for administrative services. Additionally, OSDE may incur a cost of approximately \$30,000.00 for a .5 FTE to implement this provision including processing of applications and payments.

**FY'23 Impact:** \$4,924.00-\$14,068.00 per student

**Full Year Impact:** \$4,924.00-\$14,068.00 per student
