

Fiscal Impact
2nd Session of the 57th Legislature

Bill No.:
Version:
Author:
Date:

SB 222
CS
Sen. Standridge
02/26/2021

Fiscal Analysis

SB 222 modifies the definition of “bullying” within the School Safety and Bullying Prevention Act to include behavior that involves a power imbalance and is repeated or highly likely to be repeated., The bill also requires a district superintendent to provide a report on bullying prevention activities and reported incidents of bullying to the district board of education at least once each semester at a public meeting. It requires district boards of education to provide each employee and newly hired employee with a copy of the bullying policy and an explanation of his/her responsibilities.

FY’22 Impact: Minimal

Full Year Impact: Minimal
