Fiscal Analysis

Exempts, for two years, the Oklahoma Department of Veteran Affairs from the state agency requirement to attempt to procure products or services from a qualified nonprofit agency providing employment to people with severe disabilities if the purchase is made from a veteran owned business. Undeterminable impact, but likely negligible. Procurement from veteran owned source is discretionary, and there are many veteran owned businesses to compare and contrast with many equivalent previously used qualifying businesses.

FY'22 Impact: Undeterminable

Full Year Impact: Undeterminable
