ATTACHMENT TO REVENUE IMPACT –SB 297 – [Introduced] – Prepared 01/12/2021

The measure proposes to amend 68 O.S. § 1356 by exempting from the sales tax levy, sales of tangible personal property or services to an entity whose mission is to provide an opportunity for communicating and associating with women who have served in the Armed Forces and to provide assistance to Oklahoma women veterans. To qualify the described entity must also be exempt from taxation pursuant 26 U.S.C., § 501(c)(19) and be comprised of women who have served or are currently serving in the United States Armed Forces.

Presently, there is one known organization which could qualify for the proposed sales tax exemption. Information received from the entity indicates that there is a state headquarters and two local chapters. The combined components paid \$95 in state and local sales tax on their purchases of sales taxable items for FY 20. Of this amount 53% or \$50 is attributed to state sales tax.

The estimated revenue impact is minimal.
