

Fiscal Impact
2nd Session of the 57th Legislature

Bill No.:	SB 320
Version:	CS
Author:	Sen. Garvin
Date:	03/01/2021

Fiscal Analysis

SB 320 provides for the “medically frail” and “medically vulnerable” as defined in the measure to receive consideration in compassionate parole proceedings. The fiscal impact of SB 320 is contingent on several factors including, but not limited to, age, type of medical condition(s), comorbidities, medication needs, etc. As such, a more precise estimate is indeterminable at this time.
