**Fiscal Analysis**

SB 45 adds a fingerprint-based national criminal history record check to the list of background checks that can be requested by the Director of DHS. If all new hires were required to have this done, the total cost to the state would be \$33,000. The cost of this measure should be minimal and the agency will not be requesting any additional dollars to carry it out.

**FY'22 Impact:** Minimal

**Full Year Impact:** Minimal
