6 authorized by this section may not be claimed, a qualifying  
7 manufacturing concern, as defined by Section 6B of Article X of the  
8 Oklahoma Constitution, and as further defined herein, shall be  
9 exempt from the levy of any ad valorem taxes upon new, expanded or  
10 acquired manufacturing facilities, including facilities engaged in  
11 research and development, for a period of five (5) years. The  
12 provisions of Section 6B of Article X of the Oklahoma Constitution  
13 requiring an existing facility to have been unoccupied for a period  
14 of twelve (12) months prior to acquisition shall be construed as a  
15 qualification for a facility to initially receive an exemption, and  
16 shall not be deemed to be a qualification for that facility to  
17 continue to receive an exemption in each of the four (4) years  
18 following the initial year for which the exemption was granted.  
19 Such facilities are hereby classified for the purposes of taxation  
20 as provided in Section 22 of Article X of the Oklahoma Constitution.

21 B. For purposes of this section, the following definitions  
22 shall apply:

16 defined under Industrial Group Number 5142 of the

22 at least annually the adjusted dollar amount in order  
23 to qualify for the exemption authorized by this  
24 section and shall include the adjusted dollar amount

13           Commerce based on the most recent U.S. Department  
14           of Commerce data for the county in which the new  
15           direct jobs are located. For purposes of this  
16           subparagraph, health care premiums paid by the  
17           applicant for individuals in new direct jobs  
18           shall be included in the annualized wage, or

19           (2) one hundred percent (100%) of the average county

9           average county wage data release from the Bureau of Economic  
10           Analysis of the U.S. Department of Commerce. The Oklahoma Tax  
11           Commission shall publish on its website at least annually the  
12           adjusted dollar amounts with respect to the maximum wage threshold

15           this section.

16           Eligibility as a manufacturing facility pursuant to this  
17           subparagraph shall be established, subject to review by the Tax  
18           Commission, by annually filing an affidavit with the Tax Commission  
19           stating that the facility so qualifies and containing such other

23           purposes of this section, nor shall centrally assessed properties.

1 Eligibility as a manufacturing facility pursuant to this  
2 subparagraph shall be established, subject to review by the Tax  
3 Commission, by annually filing an application with the Tax  
4 Commission stating that the facility so qualifies and containing  
5 such other information as required by the Tax Commission;

6 2. "Facility" and "facilities", except as otherwise provided by  
7 this paragraph, means and includes the land, buildings, structures,  
8 and improvements, used directly and exclusively in the manufacturing  
9 process. Effective January 1, 2022, and for each calendar year  
10 thereafter, for facilities engaged in manufacturing activities  
11 defined or classified in the NAICS Manual under Industry Nos. 311111  
12 through 339999, inclusive, but for no other establishments,  
13 "facility" and "facilities" means and includes the land, buildings,  
14 structures, improvements, machinery, fixtures, equipment and other  
15 personal property used directly and exclusively in the manufacturing  
16 process; and

17 3. "Research and development" means activities directly related  
18 to and conducted for the purpose of discovering, enhancing,  
19 increasing or improving future or existing products or processes or  
20 productivity.

21 C. The following provisions shall apply:

22 1. A manufacturing concern shall be entitled to the exemption  
23 herein provided for each new manufacturing facility constructed,  
24 each existing manufacturing facility acquired and the expansion of

1 existing manufacturing facilities on the same site, as such terms  
2 are defined by Section 6B of Article X of the Oklahoma Constitution  
3 and by this section;

4 2. Except as otherwise provided in paragraph 5 of this  
5 subsection, no manufacturing concern shall receive more than one  
6 five-year exemption for any one manufacturing facility unless the  
7 expansion which qualifies the manufacturing facility for an  
8 additional five-year exemption meets the requirements of paragraph 4  
9 of this subsection and the employment level established for any  
10 previous exemption is maintained;

11 3. Any exemption as to the expansion of an existing  
12 manufacturing facility shall be limited to the increase in ad  
13 valorem taxes directly attributable to the expansion;

14 4. Except as provided in paragraphs 5 and 6 of this subsection,  
15 all initial applications for any exemption for a new, acquired or  
16 expanded manufacturing facility shall be granted only if:

17 a. there is a net increase in annualized base payroll  
18 over the initial payroll of at least Two Hundred Fifty  
19 Thousand Dollars (\$250,000.00) if the facility is  
20 located in a county with a population of fewer than  
21 seventy-five thousand (75,000), according to the most  
22 recent Federal Decennial Census, while maintaining or  
23 increasing base payroll in subsequent years, or at  
24 least One Million Dollars (\$1,000,000.00) if the

1 facility is located in a county with a population of  
2 seventy-five thousand (75,000) or more, according to  
3 the most recent Federal Decennial Census, while  
4 maintaining or increasing base payroll in subsequent  
5 years; provided the payroll requirement of this  
6 subparagraph shall be waived for claims for  
7 exemptions, including claims previously denied or on  
8 appeal on March 3, 2010, for all initial applications  
9 for exemption filed on or after January 1, 2004, and  
10 on or before March 31, 2009, and all subsequent annual  
11 exemption applications filed related to the initial  
12 application for exemption, for an applicant, if the  
13 facility has been located in Oklahoma for at least  
14 fifteen (15) years engaged in marine engine  
15 manufacturing as defined under U.S. Industry Number  
16 333618 of the NAICS Manual, latest revision, and has  
17 maintained an average employment of five hundred (500)  
18 or more full-time-equivalent employees over a ten-year  
19 period. Any applicant that qualifies for the payroll  
20 requirement waiver as outlined in the previous  
21 sentence and subsequently closes its Oklahoma  
22 manufacturing plant prior to January 1, 2012, may be  
23 disqualified for exemption and subject to recapture.  
24 For an applicant engaged in paperboard manufacturing

1 as defined under U.S. Industry Number 322130 of the  
2 NAICS Manual, latest revision, union master payouts  
3 paid by the buyer of the facility to specified  
4 individuals employed by the facility at the time of  
5 purchase, as specified under the purchase agreement,  
6 shall be excluded from payroll for purposes of this  
7 section.

8 In order to provide certainty with respect to  
9 investments in manufacturing facilities pertaining to  
10 all initial applications for exemption filed on or  
11 after January 1, 2016, the following definitions shall  
12 apply:

13 (1) "base payroll" shall mean total payroll adjusted  
14 for any nonrecurring bonuses, exercise of stock  
15 option or stock rights and other nonrecurring,  
16 extraordinary items included in total payroll,  
17 and

18 (2) "initial payroll" shall mean base payroll for the  
19 year immediately preceding the initial  
20 construction, acquisition or expansion.

21 The Tax Commission shall verify payroll information  
22 through the Oklahoma Employment Security Commission by  
23 using reports from the Oklahoma Employment Security  
24 Commission for the calendar year immediately preceding

1 the year for which initial application is made for  
2 base-line payroll, which must be maintained or  
3 increased for each subsequent year; provided, a  
4 manufacturing facility shall have the option of  
5 excluding from its payroll, for purposes of this  
6 section:

- 7 i. payments to sole proprietors, members  
8 of a partnership, members of a limited  
9 liability company who own at least ten  
10 percent (10%) of the capital of the  
11 limited liability company or  
12 stockholder-employees of a corporation  
13 who own at least ten percent (10%) of  
14 the stock in the corporation, and  
15 ii. any nonrecurring bonuses, exercise of  
16 stock option or stock rights or other  
17 nonrecurring, extraordinary items  
18 included in total payroll numbers as  
19 reported by the Oklahoma Employment  
20 Security Commission. A manufacturing  
21 facility electing either option shall  
22 indicate such election upon its  
23 application for an exemption under this  
24 section. Any manufacturing facility

1 electing either option shall submit  
2 such information as the Tax Commission  
3 may require in order to verify payroll  
4 information. Payroll information  
5 submitted pursuant to the provisions of  
6 this paragraph shall be submitted to  
7 the Tax Commission and shall be subject  
8 to the provisions of Section 205 of  
9 this title, and

10 b. the facility offers, or will offer within one hundred  
11 eighty (180) days of the date of employment, a basic  
12 health benefits plan to the full-time-equivalent  
13 employees of the facility, which is determined by the  
14 Department of Commerce to consist of the elements  
15 specified in subparagraph b of paragraph 1 of  
16 subsection A of Section 3603 of this title or elements  
17 substantially equivalent thereto.

18 For purposes of this section, calculation of the amount of  
19 increased base payroll shall be measured from the start of initial  
20 construction or expansion to the completion of such construction or  
21 expansion or for three (3) years from the start of initial  
22 construction or expansion, whichever occurs first. The amount of  
23 increased base payroll shall include payroll for full-time-  
24 equivalent employees in this state who are employed by an entity

1 other than the facility which has previously or is currently  
2 qualified to receive an exemption pursuant to the provisions of this  
3 section and who are leased or otherwise provided to the facility, if  
4 such employment did not exist in this state prior to the start of  
5 initial construction or expansion of the facility. The  
6 manufacturing concern shall submit an affidavit to the Tax  
7 Commission, signed by an officer, stating that the construction,  
8 acquisition or expansion of the facility will result in a net  
9 increase in the annualized base payroll as required by this  
10 paragraph and that full-time-equivalent employees of the facility  
11 are or will be offered a basic health benefits plan as required by  
12 this paragraph. If, after the completion of such construction or  
13 expansion or after three (3) years from the start of initial  
14 construction or expansion, whichever occurs first, the construction,  
15 acquisition or expansion has not resulted in a net increase in the  
16 amount of annualized base payroll, if required, or any other  
17 qualification specified in this paragraph has not been met, the  
18 manufacturing concern shall pay an amount equal to the amount of any  
19 exemption granted, including penalties and interest thereon, to the  
20 Tax Commission for deposit to the Ad Valorem Reimbursement Fund;

21 5. If a facility fails to meet the base payroll requirement of  
22 subparagraph a of paragraph 4 of this subsection, the payroll  
23 requirement shall be waived for claims for exemptions, including  
24 claims previously denied or on appeal on June 1, 2009, for all

1 initial applications for exemption filed on or after January 1,  
2 2004, and on or before March 31, 2009, and all subsequent annual  
3 exemption applications filed related to such initial application for  
4 exemption, for an applicant, if the facility:

- 5 a. has been located for at least five (5) years as of  
6 March 31, 2009, in a county in Oklahoma with a  
7 population of six hundred thousand (600,000) or more,
- 8 b. is owned by an applicant that has been engaged in  
9 manufacturing as defined under U.S. Industry Numbers  
10 323110, 323111, 323121 and 323122 of the NAICS Manual,  
11 latest revision,
- 12 c. is owned by an applicant that maintains a workforce of  
13 at least three hundred (300) employees on June 1,  
14 2009,
- 15 d. is owned by an applicant that has filed multiple  
16 applications for exemption pursuant to this section,  
17 and
- 18 e. is owned by an applicant that operates at least one  
19 facility in this state of at least seven hundred  
20 thirty thousand (730,000) square feet on June 1, 2009.

21 In the event that any applicant obtaining a waiver of the payroll  
22 requirement pursuant to this paragraph ceases to operate all of its  
23 facilities in this state on or before a date that is four (4) years  
24 after any initial application for an exemption is filed by such

1 applicant, all sums of property taxes exempted under this paragraph  
2 through a waiver of the payroll requirement that relate to such  
3 application shall become due and payable as if such sums were  
4 assessed in the year in which the applicant ceases to operate all of  
5 its facilities in the state;

6 6. Any new, acquired or expanded automotive final assembly  
7 manufacturing facility which does not meet the requirements of  
8 paragraph 4 of this subsection shall be granted an exemption only if  
9 all other requirements of this section are met and only if the  
10 investment cost of the construction, acquisition or expansion of the  
11 manufacturing facility is Three Hundred Million Dollars  
12 (\$300,000,000.00) or more and the manufacturing facility retains an  
13 average employment of one thousand seven hundred fifty (1,750) or  
14 more full-time-equivalent employees in the year in which the  
15 exemption is initially granted and in each of the four (4)  
16 subsequent years only if an average employment of one thousand seven  
17 hundred fifty (1,750) or more full-time-equivalent employees is  
18 maintained in the subsequent year. Any property installed to  
19 replace property damaged by the tornado or natural disaster that  
20 occurred May 8, 2003, may continue to receive the exemption provided  
21 in this paragraph for the full five-year period based on the value  
22 of the previously qualifying assets as of January 1, 2003. The  
23 exemption shall continue in effect as long as all other  
24 qualifications in this paragraph are met. If the average employment

1 of one thousand seven hundred fifty (1,750) or more full-time-  
2 equivalent employees is reduced as a result of temporary layoffs  
3 because of a tornado or natural disaster on May 8, 2003, then the  
4 average employment requirement shall be waived for year 2003 of the  
5 exemption period. Calculation of the number of employees shall be  
6 made in the same manner as required under Section 2357.4 of this  
7 title for an investment tax credit. As used in this paragraph,  
8 "expand" and "expansion" shall mean and include any increase to the  
9 size or scope of a facility as well as any renovation, restoration,  
10 replacement or remodeling of a facility which permits the  
11 manufacturing of a new or redesigned product;

12 7. Any new, acquired, or expanded computer data processing,  
13 data preparation, or information processing services provider  
14 classified in Industrial Group Number 7374 of the SIC Manual, latest  
15 revision, and U.S. Industry Number 514210 of the North American  
16 Industrial Classification System (NAICS) Manual, latest revision,  
17 may apply for exemptions under this section for each year in which  
18 new, acquired, or expanded capital improvements to the facility are  
19 made if:

20 a. there is a net increase in annualized payroll of the  
21 applicant at any facility or facilities of the  
22 applicant in this state of at least Two Hundred Fifty  
23 Thousand Dollars (\$250,000.00), which is attributable  
24 to the capital improvements, or a net increase of

1 Seven Million Dollars (\$7,000,000.00) or more in  
2 capital improvements, while maintaining or increasing  
3 payroll at the facility or facilities in this state  
4 which are included in the application, and

- 5 b. the facility offers, or will offer within one hundred  
6 eighty (180) days of the date of employment of new  
7 employees attributable to the capital improvements, a  
8 basic health benefits plan to the full-time-equivalent  
9 employees of the facility, which is determined by the  
10 Department of Commerce to consist of the elements  
11 specified in subparagraph b of paragraph 1 of  
12 subsection A of Section 3603 of this title or elements  
13 substantially equivalent thereto;

14 8. Effective January 1, 2017, an entity engaged in electric  
15 power generation by means of wind, as described by the North  
16 American Industry Classification System, No. 221119, shall not be  
17 defined as a qualifying manufacturing concern for purposes of the  
18 exemption otherwise authorized pursuant to Section 6B of Article X  
19 of the Oklahoma Constitution or qualify as a "manufacturing  
20 facility" as defined in this section. No initial application for  
21 exemption shall be filed by or accepted from an entity engaged in  
22 electric power generation by means of wind on or after January 1,  
23 2018; and  
24

1           9. An entity or applicant engaged in an industry as defined  
2 under U.S. Industry Number 324110 of the NAICS Manual, latest  
3 revision, which has applied for or been granted an exemption for a  
4 time period which began on or after calendar year 2012 and before  
5 calendar year 2016 but which did not meet the payroll requirements  
6 of subparagraph a of paragraph 4 of this subsection because of
