5 of order, and that each such person has a right to request a hearing
6 under subsection A of Section 661 of this Code. If no hearing is
7 requested and none is ordered by the Administrator, the order will
8 remain in effect until it is modified or vacated by the
9 Administrator.

10 E. No stop order may be entered under this section except under

15 and conclusions of law.

16 F. The Administrator may vacate or modify a stop order if he

9 Section 655. Neither the fact that a registration statement ~~or~~

13 under this Code is true, complete, and not misleading. Neither any
14 such fact nor the fact that an exemption or exclusion is available
15 for ~~an agent,~~ subdivided land, or a transaction means that the
16 Administrator has passed in any way upon the merits or
17 qualifications of, or recommended or given approval to, any person,
18 subdivided land or transaction. It is unlawful to make, or cause to
19 be made, to any prospective purchaser, any representation

18 the Administrator may classify subdivided lands, persons, and
19 matters within his or her jurisdiction, and prescribe different
20 requirements for different classes.

21 B. No rule, form, or order may be made, amended, or rescinded
22 unless the Administrator finds that the action is necessary or
23 appropriate in the public interest and for the protection of
24 purchasers. In prescribing rules and forms, the Administrator may

1 cooperate with regulatory agencies of other units of government with
2 a view to achieving maximum uniformity in the form and content of
3 registration statements, applications, and reports wherever
4 practicable.

5 C. The Administrator may by rule or order prescribe the form

15 form, or order of the Administrator, notwithstanding that the rule,
16 form, or order may later be amended or rescinded or be determined to
17 be invalid for any reason.

18 E. All rules and forms of the Administrator shall be published.

19 SECTION 13. AMENDATORY 71 O.S. 2021, Section 663, is
20 amended to read as follows:

21 Section 663. A. A document is filed when it is received by the
22 Administrator.

23 B. The Administrator shall keep a ~~register~~ record of all
24 licenses and registration statements which are or have ever been
25

1 effective under this Code and all denial, suspension, or revocation
2 orders which have been entered under this Code. The ~~register~~ record

17 amended to read as follows:

18 Section 664. A. Every applicant for ~~a license or~~ registration
19 under this Code shall file with the Administrator, in such form as
20 ~~he~~ prescribed by rule ~~prescribes~~, an irrevocable consent appointing
21 the Administrator or ~~his~~ successor in office to be his or her
22 attorney to receive service of any lawful process in any noncriminal
23 suit, action or proceeding against ~~him~~ the applicant or his or her
24 successor, executor, or administrator which arises under this Code

1 or any rule or order issued hereunder after the consent has been
2 filed, with the same validity as if served personally on the person
3 filing the consent. The consent need not be filed by a person who
4 has filed a consent in connection with a previous registration ~~or~~
5 ~~license~~ which is then in effect. Service may be made by leaving a
6 copy of the process in the office of the Administrator, but is not
7 effective unless the plaintiff, who may be the Administrator in the
8 suit, action, or proceeding instituted by him or her, promptly sends
9 notice of the service and a copy of the process by registered or
10 certified mail to the defendant or respondent at ~~his~~ the last
11 address on file with the Administrator, and the plaintiff's
12 affidavit of compliance with this subsection is filed in the case on
13 or before the return of the process, or within such time as the
14 court allows.

15 B. When any person⁷ including any nonresident in this state,
16 engages in conduct prohibited or made actionable by this Code or any
17 rule or order hereunder, and ~~he~~ has not filed a consent to service
18 of process under subsection A of this section and personal
19 jurisdiction over ~~him~~ the person cannot otherwise be obtained in
20 this state, that conduct shall be considered equivalent to ~~his~~
21 appointment of the Administrator to be ~~his~~ the person's attorney to
22 receive service of any lawful process in any noncriminal suit,
23 action, or proceeding against ~~him~~ the person or his or her
24 successor, executor, or administrator which arises out of that

1 conduct and which is brought under this Code or any rule or order
2 hereunder, with the same validity as if served on ~~him~~ the person
3 personally. Service may be made by leaving a copy of the process in
4 the office of the Administrator, but it is not effective unless the
5 plaintiff, who may be the Administrator in a suit, action, or
6 proceeding instituted by ~~him~~ the Administrator, promptly sends
7 notice of the service and a copy of the process by registered or
8 certified mail to the defendant or respondent at ~~his~~ the last-known
9 address or takes other steps which are reasonably calculated to give
10 actual notice, and the plaintiff's affidavit of compliance with this
11 subsection is filed in the case on or before the return day of the
12 process or within such time as the court allows.

13 C. When process is served under this section, the court or the
14 Administrator in a proceeding before ~~him~~ the Administrator, shall
15 order such continuance as is necessary to afford the defendant or
16 respondent reasonable opportunity to defend.

17 SECTION 15. REPEALER 71 O.S. 2021, Sections 632 and 634,
18 are hereby repealed.

19 SECTION 16. This act shall become effective November 1, 2022.
