10 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

11 SECTION 1. AMENDATORY 56 O.S. 2021, Section 1011.5, is  
12 amended to read as follows:

13 Section 1011.5. A. 1. The Oklahoma Health Care Authority  
14 shall develop an incentive reimbursement rate plan for nursing  
15 facilities focused on improving resident outcomes and resident  
16 quality of life.

17 2. Under the current rate methodology, the Authority shall  
18 reserve Five Dollars (\$5.00) per patient day designated for the  
19 quality assurance component that nursing facilities can earn for  
20 improvement or performance achievement of resident-centered outcomes  
21 metrics. To fund the quality assurance component, Two Dollars  
22 (\$2.00) shall be deducted from each nursing facility's per diem  
23 rate, and matched with Three Dollars (\$3.00) per day funded by the  
24 Authority. Payments to nursing facilities that achieve specific

1 metrics shall be treated as an "add back" to their net reimbursement  
2 per diem. Dollar values assigned to each metric shall be determined  
3 so that an average of the five-dollar-quality incentive is made to  
4 qualifying nursing facilities.

5 3. Pay-for-performance payments may be earned quarterly and  
6 based on facility-specific performance achievement of four ~~equally~~  
7 ~~weighted,~~ equally weighted Long-Stay Quality Measures, as defined by  
8 the Centers for Medicare and Medicaid Services (CMS).

9 4. Contracted Medicaid long-term care providers may earn  
10 payment by achieving either five percent (5%) relative improvement  
11 each quarter from baseline or by achieving the National Average  
12 Benchmark or better for each individual quality metric.

13 5. Pursuant to federal Medicaid approval, any funds that remain  
14 as a result of providers failing to meet the quality assurance  
15 metrics shall be pooled and redistributed to those who achieve the  
16 quality assurance metrics each quarter. If federal approval is not  
17 received, any remaining funds shall be deposited in the Nursing  
18 Facility Quality of Care Fund authorized in Section 2002 of this  
19 title.

20 6. The Authority shall establish an advisory group with  
21 consumer, provider and state agency representation to recommend  
22 quality measures other than those specified in paragraph 7 of this  
23 subsection to be included in the pay-for-performance program and to  
24 provide feedback on program performance and recommendations for

1 improvement. The quality measures shall be reviewed annually and  
2 shall be subject to change ~~every three (3) years~~ through the  
3 agency's promulgation of rules as funding is available. The  
4 Authority shall ~~insure~~ ensure adherence to the following criteria in  
5 determining the quality measures:

- 6 a. provides direct benefit to resident care outcomes,
- 7 b. applies to long-stay residents, and
- 8 c. addresses a need for quality improvement using the  
9 Centers for Medicare and Medicaid Services (CMS)  
10 ranking for Oklahoma.

11 7. The Authority shall begin the pay-for-performance program  
12 focusing on improving the following CMS ~~nursing home~~ long-stay  
13 quality measures:

- 14 a. ~~percentage of long-stay,~~ percent of high-risk  
15 residents with pressure ulcers,
- 16 b. ~~percentage of long-stay~~ percent of residents who lose  
17 too much weight,
- 18 c. ~~percentage of long-stay~~ percent of residents with a  
19 urinary tract infection, and
- 20 d. ~~percentage of long-stay~~ percent of residents who ~~get~~  
21 received an antipsychotic medication.

22 B. The Oklahoma Health Care Authority shall negotiate with the  
23 Centers for Medicare and Medicaid Services to include the authority  
24

1 to base provider reimbursement rates for nursing facilities on the  
2 criteria specified in subsection A of this section.

3 C. The Oklahoma Health Care Authority shall audit the program  
4 to ensure transparency and integrity.

5 D. The Oklahoma Health Care Authority shall ~~provide~~  
6 electronically submit an annual report of the incentive  
7 reimbursement rate plan to the Governor, the Speaker of the House of  
8 Representatives, and the President Pro Tempore of the Senate by  
9 December 31 of each year. The report shall include, but not be  
10 limited to, an analysis of the previous fiscal year including

- 21                   (1)   four members selected by ~~the Oklahoma Association~~

8 b. The purpose of the advisory committee will be to

11 by implementing facility-specific rates based on  
12 expenditures relating to direct care staffing. No  
13 nursing home will receive less than the current rate  
14 at the time of implementation of facility-specific  
15 rates pursuant to this subparagraph.

16 c. The advisory committee shall be staffed and advised by  
17 the Oklahoma Health Care Authority.

18 d. The new methodology will be submitted for approval to  
19 the ~~Board of the~~ Oklahoma Health Care Authority Board  
20 by January 15, 2005, and shall be finalized by July 1,  
21 2005. The new methodology will apply only to new

23 facility reimbursement after the methodology of this  
24 paragraph has been finalized. Existing funds paid to

1 nursing homes will not be subject to the methodology  
2 of this paragraph. The methodology as outlined in  
3 this paragraph will only be applied to any new funding  
4 for nursing facilities appropriated above and beyond  
5 the funding amounts effective on January 15, 2005.

6 e. The new methodology shall divide the payment into two  
7 components:

8 (1) direct care which includes allowable costs for

20 allowable expenditures on direct care, the  
21 Authority shall use the most recent data  
22 available. The limit on this array shall be no  
23 less than the ninetieth percentile,

24

1 (2) each facility's direct care base-year component  
2 of the rate shall be the lesser of the facility's  
3 allowable expenditures on direct care or the  
4 limit,

5 (3) the Authority shall transition the payment rate  
6 methodology of nursing facilities to a price-  
7 based methodology when data for such a  
8 methodology becomes available and has been  
9 analyzed by the Authority. Under the price-based  
10 methodology, the direct care payment amount of  
11 each facility shall be adjusted to reflect the  
12 resident case mix of each facility using a  
13 percentage of funds in the direct care pool as  
14 determined by the Authority,

15 (4) other rate components shall be determined by the  
16 Oklahoma Nursing Facility Funding Advisory  
17 Committee or the Authority in accordance with  
18 federal regulations and requirements,

19 ~~(4)~~ (5) prior to July 1, 2020, the Authority shall

23 utilizing the Medicare equivalent payment rate,  
24 and

1           ~~(5)~~ (6)       if Medicaid payment rates to providers are  
2                           adjusted, nursing home rates and ~~Intermediate~~  
3                           ~~Care Facilities for Individuals with Intellectual~~

6                           (ICFs/IID) rates shall not be adjusted less  
7                           favorably than the average percentage-rate  
8                           reduction or increase applicable to the majority  
9                           of other provider groups.

- 10       g.       (1) Effective October 1, 2019, if sufficient funding  
11                           is appropriated for a rate increase, a new  
12                           average rate for nursing facilities shall be
