5 SECTION 2. AMENDATORY 74 O.S. 2021, Section 914, is
6 amended to read as follows:

7 Section 914. A. The normal retirement date for a member of the
8 Oklahoma Public Employees Retirement System shall be as defined in
9 Section 902 of this title, provided members employed on or after
10 January 1, 1983, shall have six (6) or more years of full-time-
11 equivalent employment with a participating employer before receiving
12 any retirement benefits or if the member is a legislative session
13 employee of the Legislature, shall have three (3) or more years of
14 full-time-equivalent employment with a participating employer before
15 receiving any retirement benefits. In no event shall a normal
16 retirement date for a member be before six (6) months after the
17 entry date of the participating employer by whom he or she is
18 employed.

19 B. A member may be employed beyond the normal retirement date
20 by the appointing authority of the participating employer. However,
21 the member may not receive retirement pay so long as the member
22 continues employment under this act. Any member who has terminated
23 employment with a participating employer prior to the month
24 immediately preceding said member's normal retirement date must

1 elect a vested benefit pursuant to Section 917 of this title before
2 receiving any retirement benefits.

3 C. Notice for retirement shall be filed through the retirement
4 coordinator for the participating employer in such form and manner
5 as the Board shall prescribe; provided, that such notice for
6 retirement shall be filed with the office of the retirement system
7 at least sixty (60) days prior to the date selected for the member's
8 retirement; provided further, that the Executive Director may waive
9 the sixty-day notice for good cause shown as defined by the Board.

10 1. The participating employer shall provide the System with the
11 following information for a retiring member, no later than the
12 fifteenth day of the month of retirement: last day physically on
13 the job; last day on payroll; and final unused sick leave balance.

14 2. Failure to submit this information by the deadline, or
15 errors in submitted information that result in a disqualification of
16 retirement eligibility shall be the responsibility of the
17 participating employer. In cases where the error results in
18 disqualification of retirement eligibility, it is the participating
19 employer's responsibility to reemploy the member, or retain the
20 member on the payroll, for time period required to reach
21 eligibility, not exceeding two (2) months.

22 D. No retirement benefits shall be payable to any member until
23 the first day of the month following the termination of the member's
24 employment with any participating employer. The type of retirement

1 benefit selected by a member may not be changed on or after the
2 effective date of the member's retirement. Receipt of workers'
3 compensation benefits shall in no respect disqualify the retiree for
4 benefits.

5 E. If a retiree should be elected or appointed to any position
6 or office for which compensation for service is paid from levies or
7 taxes imposed by the state or any political subdivision thereof, the
8 retiree shall not receive any retirement benefit for any month for
9 which the retiree serves in such position or office after the
10 retiree has received compensation in a sum equal to the amount
11 allowable as wages or earnings by the Social Security Administration
12 in any calendar year. This subsection shall not apply to service
13 rendered by a retiree as a juror, as a witness in any legal
14 proceeding or action, as an election board judge or clerk, or in any
15 other office or position of a similar nature, or to an employer that
16 is not a participating employer. Provided, further, that any
17 participating employer who is employing such a retiree shall make
18 proper written notification to the System informing it of the
19 beginning date of such retiree's employment and the date such
20 retiree reaches the maximum compensation allowed by this section in
21 the calendar year. Any retiree returning to work for a
22 participating employer shall make contributions to the System and
23 the employer shall do likewise. All retirees who have returned to
24 employment and participation in the System following retirement

1 shall have post-retirement benefits calculated on one of the
2 following methods:

3 1. All service accumulated from date of reemployment shall be
4 computed based on the benefit formula applicable at that time and
5 the additional benefits shall be added to the previous benefits.
6 Such additional benefits shall be calculated each year based upon
7 additional service accrued from July 1 to June 30 of the previous
8 year and the additional benefit, if any, will be added to the
9 retiree's monthly benefit beginning January 1, 2000, and each
10 January 1 thereafter. However, the post-retirement service credit
11 shall be cumulative, beginning with service credit accrued after the
12 date of retirement, provided that the retiree has not received a
13 distribution of the post-retirement contributions.

14 2. Any retiree who returns to employment with a participating
15 employer may elect not to receive any retirement benefits while so
16 reemployed. If such an election is made and reemployment is for a
17 minimum period of thirty-six (36) consecutive months, all service
18 accumulated from date of reemployment shall be participating
19 service. For purposes of determining the retirement benefits of
20 such a member upon the termination of such reemployment all
21 creditable service of the member shall be computed based on the
22 benefit formula applicable at the time of termination of such
23 reemployment. Provided, a retiree who became reemployed prior to
24 July 1, 1982, and who is reemployed for a minimum of thirty-six (36)

1 consecutive months shall have all the creditable service of such
2 retiree computed based on the benefit formula applicable at the time
3 of termination of such reemployment if the retiree elects not to
4 receive retirement benefits prior to such termination of
5 reemployment. A retiree who has waived receipt of the monthly
6 benefit, but is not reemployed for the full thirty-six (36)
7 consecutive months, shall upon termination of such reemployment have
8 only the additional amount added to his or her benefit as if they
9 had not waived the benefit as provided in paragraph 1 of this
10 subsection.

11 3. All post-retirement additional benefits shall be calculated
12 using actual hours worked as well as the actual compensation
13 received and upon which contributions are paid. Post-retirement
14 service is not subject to the partial year round-up provisions of
15 subsection C of Section 913 of this title.

16 4. A retired member who returns to work for a participating
17 employer pursuant to this section shall be bound by the election
18 made pursuant to paragraph (2) of subsection A of Section 915 of
19 this title if the member had made such election prior to retirement.
20 If the member had not made such election prior to retirement, the
21 member may do so during the member's reemployment with a
22 participating employer pursuant to this section. A retired member
23 may not be rehired by their former employer, nor may the retired
24 member be permitted to enter into an employment contract of any kind

1 with a former employer, for a period of ~~one (1) year~~ six (6) months
 2 after the retired member ended his or her employment with the former
 3 employer unless the retired member waives his or her benefit under
 4 paragraph 2 of this subsection and returns as a bona fide employee.

5 F. Except as otherwise provided by subsection G of this
 6 section, any member may elect to retire before his or her normal
 7 retirement date on the first day of any month coinciding with or
 8 following the attainment of age fifty-five (55), provided such
 9 member has completed ten (10) years of participating service, but in
 10 no event before six (6) months after the entry date. Any member who
 11 shall retire before the normal retirement date shall receive an
 12 annual retirement benefit adjusted in accordance with the following
 13 percentage schedule:

14		Percentage of Normal
15	Age	Retirement Benefit
16	62	100.00%

1 G. Any member whose first participating service occurs on or
 2 after November 1, 2011, may elect to retire before his or her normal
 3 retirement date on the first day of any month coinciding with or
 4 following the attainment of age sixty (60), provided such member has
 5 completed ten (10) years of participating service, but in no event
 6 before six (6) months after the entry date. Any member who shall
 7 retire before the normal retirement date shall receive an annual
 8 retirement benefit adjusted in accordance with the following
 9 percentage schedule:

22 SECTION 4. If the Emergency Clause is not approved pursuant to
