By: Humphrey

7 PROPOSED COMMITTEE SUBSTITUTE

8 An Act relating to criminal justice; directing the
9 Office of Management and Enterprise Services (OMES)
10 to contract for the study of consolidating state,
11 county, and municipal law enforcement computer
12 systems; providing for the study of certain topics;
13 providing exemption from competitive bidding
14 requirements; utilizing funds appropriated to the
15 County Community Safety Investment Fund for
16 conducting the study and implementing the network;
17 directing OMES to issue and submit report to certain
18 state officials by certain date; requiring
19 implementation of statewide criminal justice
20 information network by certain date; stating
21 components of the statewide criminal justice
22 information network; providing for codification; and
23 providing an effective date.

19 SECTION 1. NEW LAW A new section of law to be codified
20 in the Oklahoma Statutes as Section 80.2 of Title 74, unless there
21 is created a duplication in numbering, reads as follows:

22 A. Upon the effective date of this act, the Office of
23 Management and Enterprise Services (OMES) shall contract for the
24 study, analysis, and planning on the feasibility of consolidating

1 all computer systems for state, county, and municipal law
2 enforcement agencies, district attorneys, the Department of
3 Corrections, the Oklahoma State Bureau of Investigation, the
4 Oklahoma Bureau of Narcotics and Dangerous Drugs Control, and the
5 Department of Public Safety. The study shall examine the cost to
6 develop a statewide criminal justice information network that will
7 ensure seamless communication and data collection among the law
8 enforcement agencies in the state. The study shall also:

9 1. Identify and assess the requirements for developing a
10 comprehensive statewide criminal justice information network by
11 creating a multilayer framework that shall allow for the sharing of
12 law enforcement information;

13 2. Identify and determine the critical interfaces that have not
14 yet been captured in existing law enforcement information technology
15 systems;

16 3. Identify and review current information technology
17 capabilities of state, county, and local law enforcement entities
18 throughout the state including records management systems and
19 computer-aided dispatch systems; and

20 4. Identify and review the feasibility of consolidating data
21 collection and accessibility into fewer systems.

22 B. OMES shall be exempt from the competitive bidding
23 requirements of the Oklahoma Central Purchasing Act for the purpose
24 of soliciting, negotiating, and effectuating such a contract or

1 contracts. Funds appropriated to the County Community Safety
2 Investment Fund created in Section 2-312.1 of Title 43A of the
3 Oklahoma Statutes shall be utilized to pay for the costs of
4 conducting the study and implementing the statewide criminal justice
5 information network.

6 C. The Office of Management and Enterprise Services shall have
7 three (3) years to conduct the study and issue a report. The report
8 shall include any recommendations for the implementation of a
9 statewide criminal justice information network. The report shall be
10 delivered to the Governor, the President Pro Tempore of the Oklahoma
11 State Senate, and the Speaker of the Oklahoma House of
12 Representatives no later than December 1, 2027.

13 D. The statewide criminal justice information network shall be
14 implemented and accessible to all state, county, and municipal law
15 enforcement agencies by January 1, 2028. The statewide criminal
16 justice information network shall enable properly authorized users
17 to use information readily and effectively, regardless of its
18 location in state or local databases. The statewide criminal
19 justice information network shall be comprised of the following
20 components:

21 1. System security standards to facilitate the movement of data
22 between systems;

23 2. Data standards for sharing information, including common
24 definitions, code structures, and formats;

1 3. A statewide magistrate system to streamline the process of
2 warrant and case creation;

3 5. A statewide warrant repository that contains all new and
4 served warrant information;

5 6. A statewide fingerprint-based criminal history that includes
6 all arrests and dispositions;

7 7. An identification index that includes information from all
8 state and local agencies, as well as necessary linkages to federal
9 justice agencies; and

10 8. Mobile voice and data communications network that allows
11 state and local law enforcement and public safety agencies to
12 communicate with each other, regardless of location in the state.

13 SECTION 2. This act shall become effective November 1, 2024.
