5 HOUSE BILL NO. 2533

6 By: Humphrey

7 SUBCOMMITTEE RECOMMENDATION

8 An Act relating to criminal justice; directing the  
9 Office of Management and Enterprise Services (OMES)  
10 to contract for the study of consolidating state,  
11 county, and municipal law enforcement computer  
12 systems; providing for the study of certain topics;  
13 providing exemption from competitive bidding  
14 requirements; utilizing funds appropriated to the  
15 County Community Safety Investment Fund for  
16 conducting the study and implementing the network;  
17 directing OMES to issue and submit report to certain  
18 state officials by certain date; requiring  
19 implementation of statewide criminal justice  
20 information network by certain date; stating  
21 components of the statewide criminal justice  
22 information network; providing for codification; and  
23 providing an effective date.  
24

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified  
in the Oklahoma Statutes as Section 80.2 of Title 74, unless there  
is created a duplication in numbering, reads as follows:

1           A. Upon the effective date of this act, the Office of  
2 Management and Enterprise Services (OMES) shall contract for the  
3 study, analysis, and planning on the feasibility of consolidating  
4 all computer systems for state, county, and municipal law  
5 enforcement agencies, district attorneys, the Department of  
6 Corrections, the Oklahoma State Bureau of Investigation, the  
7 Oklahoma Bureau of Narcotics and Dangerous Drugs Control, and the  
8 Department of Public Safety. The study shall examine the cost to  
9 develop a statewide criminal justice information network that will  
10 ensure seamless communication and data collection among the law  
11 enforcement agencies in the state. The study shall also:

12           1. Identify and assess the requirements for developing a  
13 comprehensive statewide criminal justice information network by  
14 creating a multilayer framework that shall allow for the sharing of  
15 law enforcement information;

16           2. Identify and determine the critical interfaces that have not  
17 yet been captured in existing law enforcement information technology  
18 systems;

19           3. Identify and review current information technology  
20 capabilities of state, county, and local law enforcement entities  
21 throughout the state including records management systems and  
22 computer-aided dispatch systems;

23           4. Identify and review the feasibility of consolidating data  
24 collection and accessibility into fewer systems; and

1           5. Identify and review the feasibility of federally recognized  
2 Indian tribes participating in the development and implementation of  
3 the statewide criminal justice information network.

4           B. OMES shall be exempt from the competitive bidding  
5 requirements of the Oklahoma Central Purchasing Act for the purpose  
6 of soliciting, negotiating, and effectuating such a contract or  
7 contracts. Funds appropriated to the County Community Safety  
8 Investment Fund created in Section 2-312.1 of Title 43A of the  
9 Oklahoma Statutes shall be utilized to pay for the costs of  
10 conducting the study and implementing the statewide criminal justice  
11 information network.

12           C. The Office of Management and Enterprise Services shall have  
13 three (3) years to conduct the study and issue a report. The report  
14 shall include any recommendations for the implementation of a  
15 statewide criminal justice information network. The report shall be  
16 delivered to the Governor, the President Pro Tempore of the Oklahoma  
17 State Senate, and the Speaker of the Oklahoma House of  
18 Representatives no later than December 1, 2027.

19           D. The statewide criminal justice information network shall be  
20 implemented and accessible to all state, county, and municipal law  
21 enforcement agencies, and those federally recognized Indian tribes  
22 that have chosen to participate, by January 1, 2028. The statewide  
23 criminal justice information network shall enable properly  
24 authorized users to use information readily and effectively,

1 regardless of its location in state or local databases. The  
2 statewide criminal justice information network shall be comprised of  
3 the following components:

4 1. System security standards to facilitate the movement of data  
5 between systems;

6 2. Data standards for sharing information, including common  
7 definitions, code structures, and formats;

8 3. A statewide magistrate system to streamline the process of  
9 warrant and case creation;

10 4. A statewide warrant repository that contains all new and  
11 served warrant information;

12 5. A statewide fingerprint-based criminal history that includes  
13 all arrests and dispositions;

14 6. An identification index that includes information from all  
15 state and local agencies, as well as necessary linkages to federal  
16 justice agencies; and

17 7. Mobile voice and data communications network that allows  
18 state and local law enforcement and public safety agencies to  
19 communicate with each other, regardless of location in the state.

20 SECTION 2. This act shall become effective November 1, 2024.
