3 months which need not be consecutive;

4 4. The forfeiture of not more than one-half (1/2) of one (1)
5 month's pay per month for two (2) months;

6 5. A fine of not more than one (1) month's pay;

7 6. A reduction to the lowest or any intermediate pay grade, if
8 the grade from which demoted is within the promotion authority of
9 the officer imposing the reduction or any officer subordinate to the
10 one who imposes the reduction, but an enlisted member in a pay grade
11 above E-4 shall not be reduced more than two pay grades;

12 7. Extra duties, including fatigue or other duties, for not
13 more than forty-five (45) days which need not be consecutive; and

14 8. Restriction to certain specified limits, with or without
15 suspension from duty, for not more than sixty (60) days which need
16 not be consecutive.

17 F. The Governor, the Adjutant General, or an officer exercising
18 general or special court-martial convening authority may impose:

19 1. Upon officers of the officer's command:

- 20 a. any punishment authorized in subsection E of this
21 section, except for the punishments provided in
22 paragraphs 6 and 7 of subsection E of this section,
23 and
24

1 b. arrest in quarters for not more than thirty (30) days
2 which need not be consecutive; and

3 2. Upon enlisted members of the officer's command, any
4 punishment authorized in subsection E of this section.

5 Admonitions or reprimands given as nonjudicial punishment to
6 commissioned officers and warrant officers shall be administered in
7 writing. In all other cases, unless otherwise prescribed by
8 regulations promulgated by the Adjutant General, such punishments
9 may be administered either orally or in writing.

10 G. Whenever any punishments are combined to run consecutively,
11 the total length of the combined punishment shall not exceed the
12 authorized duration of the longest punishment included in the
13 combination, and there shall be an apportionment of punishments so
14 that no single punishment in the combination exceeds its authorized
15 length under this section.

16 H. Once the commander has determined that nonjudicial
17 punishment is appropriate, the commander shall provide reasonable
18 notice to the member of his or her intent to impose nonjudicial
19 punishment. At the time the commander provides notification as
20 required in this subsection, the member shall be entitled to examine
21 all statements and other evidence that the commander has examined
22 and intends to rely upon as the basis for punishment. The member
23 shall be provided a copy of the documentary evidence unless it is
24 privileged, classified, or otherwise restricted by law, regulation,

1 or instruction. At the time the commander provides notification as
2 required in this subsection, the commander shall also inform the
3 member as to the quantum of punishment potentially to be imposed.
4 While a member undergoing nonjudicial punishment is not entitled to
5 representation by a duly appointed defense counsel, the member may
6 seek legal advice from any judge advocate available for this
7 purpose.

8 I. The right to demand trial by court-martial in lieu of
9 nonjudicial punishment shall arise only when arrest in quarters or
10 restriction will be considered as punishments. If the commanding
11 officer determines that arrest in quarters or restriction will be
12 considered as punishments, prior to the offer of nonjudicial
13 punishment the accused shall be notified in writing of the right to
14 demand trial by court-martial. Should the commanding officer
15 determine that the punishment options will not include arrest in
16 quarters or restriction, the accused shall be notified that there is
17 no right to trial by court-martial in lieu of nonjudicial
18 punishment. Upon notification by the commander or officer in charge
19 of his or her intent to impose nonjudicial punishment that includes
20 arrest in quarters or restriction, the accused shall be afforded a
21 reasonable amount of time to confer with legal counsel and to
22 prepare a response.

23 J. The officer who imposes the punishment, or his or her
24 successor in command, may at any time suspend, set aside, mitigate

1 or remit any part or amount of the punishment and restore all
2 rights, privileges and property affected. The officer may also
3 mitigate:

- 4 1. Reduction in grade to forfeiture of pay;
- 5 2. Arrest in quarters to restriction; or
- 6 3. Extra duties to restriction.

7 The mitigated punishment shall not be for a greater period than the
8 punishment mitigated. When mitigating reduction in grade to
9 forfeiture of pay, the amount of the forfeiture shall not be greater
10 than the amount that could have been imposed initially under this
11 article by the officer who imposed the punishment mitigated.

12 K. A person punished under this section who considers the
13 punishment unjust or disproportionate to the offense may, through
14 his or her chain of command, appeal to a senior officer designated
15 by the Adjutant General to adjudicate appeals arising from
16 nonjudicial punishment. A senior officer so designated by the
17 Adjutant General shall be a member of the same component of the
18 state military forces as the accused. An appeal made pursuant to
19 this subsection shall be lodged within fifteen (15) days after the
20 punishment is announced to the accused. The officer exercising
21 appellate authority may, at his or her discretion, extend the
22 deadline for an appeal. The appeal shall be promptly forwarded and
23 decided, and the member shall not be punished until the appeal is
24 decided. The senior officer designated by the Adjutant General as

1 exercising appellate authority may exercise the same powers with
2 respect to the punishment imposed as may be exercised under
3 subsection I of this section by the officer who imposed the
4 punishment. Before acting on an appeal from a punishment, the
5 senior officer exercising appellate authority shall refer the case
6 to a judge advocate for consideration and advice. When a senior
7 officer is designated by the Adjutant General to adjudicate appeals
8 arising from nonjudicial punishment, such designation shall be
9 accomplished in writing and shall be considered a military
10 publication, as defined in Section 801 of this title (Article 1).

11 L. Except for nonjudicial punishment imposed by the Governor or
12 the Adjutant General, the final appellate authority for nonjudicial
13 punishment imposed within state military forces is the Adjutant
14 General. A person punished under this section whose appeal was
15 previously denied by a senior officer designated to adjudicate
16 appeals may, through his or her chain of command, lodge an
17 additional appeal with the Adjutant General within five (5) days
18 after the appeal is denied. In the event the officer imposing
19 nonjudicial punishment is a senior officer who is also designated to
20 adjudicate appeals arising from nonjudicial punishment, an appeal
21 thereof shall be addressed directly to the Adjutant General. In the
22 event the officer imposing nonjudicial punishment is the Adjutant
23 General, an appeal thereof shall be addressed directly to the
24 Governor. An appeal offered pursuant to this subsection shall be

1 made only in writing. Neither the Governor nor the Adjutant General
2 shall delegate his or her duties as an appellate authority under
3 this subsection.

4 M. Whenever nonjudicial punishment is imposed under this
5 section:

6 1. After adjudication and while the punishment is being carried
7 out or while the adjudged punishment is pending before the appellate
8 authority, the commander or officer in charge who imposed the
9 nonjudicial punishment, upon the request of the accused, may:

10 a. excuse the accused from attendance at scheduled unit
11 training assemblies, or

12 b. arrange for the accused to drill on alternate dates
13 and in alternate locations; or

14 2. If necessary to maintain good order and discipline within
15 the unit, the commander or officer in charge who imposed the
16 nonjudicial punishment may order the accused to drill on alternate
17 dates and in alternate locations. The order shall be reduced to
18 writing and shall become part of the record of nonjudicial
19 punishment.

20 N. The imposition and enforcement of disciplinary punishment
21 under this section for any act or omission shall not be a bar to
22 trial by court-martial or a civilian court of competent jurisdiction
23 for a crime or offense arising out of the same act or omission; but
24 the fact that a disciplinary punishment has been enforced may be

1 demonstrated by the accused upon trial and, when so demonstrated, it
2 shall be considered in determining the measure of punishment to be
3 adjudged in the event of a finding or verdict of guilty.

4 Nonjudicial punishment shall not be imposed for an offense
5 previously tried by a civilian court unless so authorized by
6 regulations promulgated by the Adjutant General.

7 O. When nonjudicial punishment has been imposed for an offense,
8 punishment shall not again be imposed for the same offense under
9 this section. Once nonjudicial punishment has been imposed, it may
10 not be increased, upon appeal or otherwise. When a commander or
11 officer in charge determines that nonjudicial punishment is
12 appropriate for a particular member, all known offenses determined
13 to be appropriate for disposition by nonjudicial punishment and
14 ready to be considered at that time, including all offenses arising
15 from a single incident or course of conduct, shall be considered
16 together and shall not be made the basis for multiple punishments.
17 This subsection shall in no way restrict the right of a commander to
18 prefer court-martial charges for an offense previously punished
19 under the provisions of this section.

20 P. In accordance with subsection B of Section 843 of this title
21 (Article 43, subsection B), a person accused of an offense is not
22 liable to be punished under this section if the offense was
23 committed more than two (2) years before the imposition of
24 punishment. Periods in which the accused is absent without

1 authority shall be excluded in computing the period of limitation
2 prescribed in this section.

3 Q. Whenever a punishment of forfeiture of pay is imposed under
4 this section, the forfeiture shall not apply to pay accruing before
5 the date that punishment is imposed, but only pay accruing on or
6 after the date that punishment is imposed.

7 R. The Adjutant General may promulgate regulations prescribing
8 the type and form of records to be kept of proceedings conducted
9 pursuant to this section. The Adjutant General may promulgate any
10 other regulations necessary to carry out the provisions of this
11 section.

12 S. For purposes of this section, no member of the Oklahoma
13 National Guard of the rank of E-8 or E-9 shall be reduced in rank
14 pursuant to this section except when the reduction results from
15 nonjudicial punishment imposed by an officer of the Oklahoma
16 National Guard of the rank of brigadier general or by the Adjutant
17 General. When imposing nonjudicial punishment on enlisted persons
18 of the rank of E-7 or below, a commander or officer in charge who
19 possesses the rank of colonel may consider reduction in rank as a
20 possible punishment.

21 SECTION 16. AMENDATORY 44 O.S. 2021, Section 821, is
22 amended to read as follows:

17 executed part is included in a sentence imposed upon the new trial
18 or rehearing.

19 B. If a previously executed sentence of dishonorable or bad-
20 conduct discharge is not imposed on a new trial, the Adjutant
21 General shall substitute therefor a form of discharge authorized for
22 administrative issuance unless the accused is to serve out the
23 remainder of his or her enlistment.

12 the existence of a vacancy and shall affect the promotion status of
13 other officers only insofar as the Governor may direct. All time
14 between the dismissal and the reappointment shall be considered as
15 actual service for all purposes, including the right to pay and
16 allowances.
