12 materials, including a prepaid vision plan organization, as defined
13 pursuant to paragraph 5 of Section 13 of this act.

14 SECTION 2. NEW LAW A new section of law to be codified
15 in the Oklahoma Statutes as Section 6972 of Title 36, unless there
16 is created a duplication in numbering, reads as follows:

17 A. No agreement between an insurer, vision care plan, or vision
18 care discount plan and an eye care provider may seek to or require
19 that an eye care provider provide services or materials at a fee
20 limited or set by the insurer, vision care plan, or vision care
21 discount plan unless the services or materials are reimbursed as
22 covered services or covered materials under the contract.

23 B. An eye care provider shall not charge more for services and
24 materials that are noncovered services or noncovered materials to an

1 enrollee of a vision care plan or insurer than his or her usual and
2 customary rate for those services and materials.

3 C. Reimbursements paid by an insurer, vision care plan, or
4 vision care discount plan for covered services and covered
5 materials, regardless of supplier or optical lab used to obtain
6 materials, shall be reasonable, shall be clearly listed on a fee
7 schedule that is made available to the vision care provider prior to
8 accepting a contract from the insurer, vision care plan, or vision
9 discount plan and shall not provide nominal reimbursement or
10 advertise services and materials to be covered with additional copay
11 or coinsurance if the health plan, vision care plan, or vision care
12 discount plan does not reimburse for the services or materials in
13 order to claim that services and materials are covered services and
14 materials.

15 D. Vision plans shall not in any manner impact the pricing of
16 noncovered services or materials.

17 E. Vision plans shall provide standard reimbursements for all
18 lenses with the same design, quality, and composition. The period
19 of time prescribed by a contract between any vision service plan and
20 a provider of vision care services for the vision service plan to
21 recover any reimbursement amount from a vision care service provider
22 shall be the same period of time allowed or required for any vision
23 service provider to recover any reimbursement amount from a vision
24 service plan.

1 F. Insurers, vision care plans, and vision care discount plans
2 shall not publish or disseminate information that falsely represents
3 the benefits that are provided to groups, employers, or individual
4 enrollees as a means of selling coverage to or communicating benefit
5 coverage to enrollees.

6 G. Vision plans shall not incentivize patients in order to move
7 them to entities owned in part or in whole by the vision plans or
8 subsidiaries of the plans.

9 H. All provisions in this act shall apply to any entity acting
10 in whole or in part of vision plans and shall be subject to all
11 applicable penalties as referenced in this section. Any member of a
12 prepaid vision plan shall be free to select any licensed vision
13 practitioner to provide vision services and prepayment or

15 the practitioner is a participating or nonparticipating member of
16 the plan. The provisions of this subsection shall be printed on the
17 policy for membership coverage.

18 I. Vision plans shall not entice a non-network patient's choice
19 of eye care providers.

20 J. No person or entity shall sell, solicit, or negotiate any
21 prepaid vision plan to an enrollee in this state without being
22 licensed under Sections 12 through 24 of this act.

23
24

1 SECTION 3. NEW LAW A new section of law to be codified
2 in the Oklahoma Statutes as Section 6973 of Title 36, unless there
3 is created a duplication in numbering, reads as follows:

4 A. No agreement between an insurer, vision care plan, or vision
5 care discount plan and a vision care provider shall require that an
6 eye care provider must participate with or be credentialed by any
7 specific vision care plan or vision care discount plan as a
8 condition for participation in the health care network of the
9 insurer to provide covered medical services to its enrollees.

10 B. Any insurer issuing or renewing a health benefit plan,
11 vision care plan, or vision care discount plan issued or renewed
12 which provides coverage for services rendered by a physician or
13 osteopath duly licensed pursuant to law that are within the scope of
14 practice of an optometrist duly licensed under the applicable
15 provisions of Title 59 of the Oklahoma Statutes shall provide the
16 same reimbursement for services to optometrists as allowed for those
17 services rendered by physicians or osteopaths.

18 C. An insurer shall not require an optometrist to meet terms
19 and conditions that are not required of a physician or osteopath as
20 a condition for participation in its provider network for the
21 provision of services that are within the scope of practice of an
22 optometrist.

23 D. A clause requiring that if a provider enters into any
24 subcontract agreement with another provider to provide their

1 licensed health care services to the subscriber, dependent of the
2 subscriber, or enrollee of a managed care plan where the
3 subcontracted provider will bill the managed care plan or subscriber
4 or enrollee directly for the subcontracted services, the subcontract
5 agreement must meet all requirements of this act.

6 E. The provisions of subsections A, B, and C of this section
7 shall also apply to any agreements an insurer enters into to provide
8 services covered under the health benefit plan, vision care plan, or
9 vision care discount plan.

10 SECTION 4. NEW LAW A new section of law to be codified
11 in the Oklahoma Statutes as Section 6974 of Title 36, unless there
12 is created a duplication in numbering, reads as follows:

13 It is an unfair trade practice for an insurer that offers
14 multiple vision benefit plans or multiple vision discount plans to
15 require an eye care provider, as a condition of participation in a
16 vision benefit plan or vision discount plan of the insurer, to
17 participate in any of the insurer's other vision benefit plans or
18 vision discount plans. In addition to the proceedings and penalties
19 provided in this act for violation of this provision, a contract
20 provision violating this section is void.

21 SECTION 5. NEW LAW A new section of law to be codified
22 in the Oklahoma Statutes as Section 6975 of Title 36, unless there
23 is created a duplication in numbering, reads as follows:

24

1 An insurer, vision care plan, or vision care discount plan shall
2 not change or alter an agreement entered into with an eye care
3 provider without performing the following steps:

4 1. A certified letter, or an electronic communication requiring
5 an electronic signature proving receipt, detailing proposed changes
6 shall be sent to eye care providers and a face-to-face or virtual
7 meeting shall be conducted if requested by the eye care provider;

8 2. Vision care plans shall supply the eye care providers with
9 an explanation of benefits and/or explanation of payment for
10 services and materials rendered by the provider upon request,
11 regardless of the provider's network status with the vision care
12 plan;

13 3. It is required that an eye care provider either agree or not
14 agree to proposed changes. If the changes in the contract are not
15 agreed to by the eye care provider then the current agreement shall
16 continue until its expiration after two (2) years and the insurer,
17 vision care plan, or vision care discount may not remove the eye
18 care provider from a panel or plan for not accepting the changes to
19 a contract for the remainder of the two-year contract;

20 4. A new agreement is required to be established and agreed
21 upon after three or more material changes are made to an existing
22 agreement from an insurer, vision care plan, or vision care discount
23 plan; and
24

1 5. Any amendment to a proposed contract that is being reviewed
2 by a service provider prior to its execution and any amendment to an
3 existing contract with a service provider shall be underlined to
4 clearly indicate the contract modification.

5 SECTION 6. NEW LAW A new section of law to be codified
6 in the Oklahoma Statutes as Section 6976 of Title 36, unless there
7 is created a duplication in numbering, reads as follows:

8 No agreement between an insurer, vision care plan, or vision
9 care discount plan and an eye care provider shall restrict or limit,
10 either directly or indirectly, the vision care provider's choice of
11 sources and suppliers of services or materials or use of optical
12 labs provided by the eye care provider to an enrollee.

13 SECTION 7. NEW LAW A new section of law to be codified
14 in the Oklahoma Statutes as Section 6977 of Title 36, unless there
15 is created a duplication in numbering, reads as follows:

16 No insurer, vision care plan, or vision care discount plan shall
17 change the terms, discounts, or reimbursement rates contained
18 therein, regardless of supplier or fabricating lab used to supply
19 materials.

20 SECTION 8. NEW LAW A new section of law to be codified
21 in the Oklahoma Statutes as Section 6978 of Title 36, unless there
22 is created a duplication in numbering, reads as follows:

23 Any person adversely affected by a violation of this act may
24 bring action in a court of competent jurisdiction for injunctive

1 relief against the insurer, vision care discount plan, or vision
2 care plan and, upon prevailing, in addition to such injunctive
3 relief, may recover monetary damages equal to three (3) times the
4 actual damages caused by the insurer, vision care discount plan, or
5 vision care plan plus attorney fees and costs.

6 SECTION 9. NEW LAW A new section of law to be codified
7 in the Oklahoma Statutes as Section 6979 of Title 36, unless there
8 is created a duplication in numbering, reads as follows:

9 A. The Insurance Commissioner shall:

10 1. Enforce the state's insurance laws and the provisions of
11 this act using powers granted to the Commissioner by law; and

12 2. Be entitled to seek an injunction against an insurer, vision
13 care plan, or vision care discount plan in a court of competent
14 jurisdiction.

15 B. The Insurance Commissioner may fine vision plans in a range
16 from One Hundred Dollars (\$100.00) to Ten Thousand Dollars
17 (\$10,000.00) for each violation of the provisions of this act.

18 C. The Insurance Commissioner shall have the authority to
19 prohibit the marketing of vision plans in Oklahoma that repeatedly
20 violate the provisions of this act.

21 SECTION 10. NEW LAW A new section of law to be codified
22 in the Oklahoma Statutes as Section 6980 of Title 36, unless there
23 is created a duplication in numbering, reads as follows:

24

1 A. The requirements of this section apply to insurer, vision
2 care plan, and vision care discount plan policies, contracts,
3 addendums, and certificates executed, delivered, issued for
4 delivery, continued, or renewed in this state.

5 B. No insurer, vision care plan contract, or vision care
6 discount plan contract may be longer than two (2) years from the
7 date that it was first signed.

8 C. No insurer, vision care plan, or vision care discount plan
9 shall construe re-credentialing as re-contracting with a vision care
10 provider. All contracts must be a distinctly separate document from
11 any credentialing materials and signed by the provider.

12 SECTION 11. NEW LAW A new section of law to be codified
13 in the Oklahoma Statutes as Section 6981 of Title 36, unless there
14 is created a duplication in numbering, reads as follows:
