1 No deduction for federal income taxes paid shall be allowed to
2 any taxpayer to arrive at taxable income.

3 D. 1. "Qualifying cumulative revenue growth" means an increase
4 of at least Three Hundred Million Dollars (\$300,000,000.00) in
5 excess of the applicable base year amount, which shall include any
6 decrease in the total collections amount for any fiscal year which
7 reflects a decline in total revenue collections. If the total
8 revenue collections equal or exceed Three Hundred Million Dollars
9 (\$300,000,000.00) using either a comparison of one fiscal year to
10 the next succeeding fiscal year or equal or exceed Three Hundred
11 Million Dollars (\$300,000,000.00) as a result of multiple successive
12 comparisons, which shall take into account any comparison which
13 results in an increase of less than Three Hundred Million Dollars
14 (\$300,000,000.00) or which results in a decline in total collections
15 from the preceding year, then if such cumulative net total,
16 including any year in which total collections declined, equals or
17 exceeds Three Hundred Million Dollars (\$300,000,000.00) then the
18 next decrease in the income tax rates as described by this
19 subsection shall be implemented.

20 2. "Total revenue collections" includes all revenue sources
21 reported in the annual report of the Oklahoma Tax Commission
22 excluding any tax collected by the Commission from levies imposed by
23 counties, cities, towns or any other entity of local government.

1 3. Except as otherwise provided by this subsection, for all
2 taxable years beginning on or after January 1, 2025, a tax is hereby
3 imposed upon the Oklahoma taxable income of every resident or
4 nonresident individual, which tax shall be as prescribed in
5 paragraphs 1 and 2 of subsection C of this section reduced in each
6 of the rates as prescribed by paragraph 1 or paragraph 2 of
7 subsection C of this section by twenty-five hundredths of one
8 percent (0.0025), expressed as a decimal, for purposes of the
9 reduction, for any income tax year beginning on the January 1 date
10 immediately succeeding a fiscal year ending on the preceding June 30
11 for which the State Board of Equalization makes a certification, at
12 its December meeting, that total revenue collections for such fiscal
13 year exceeded the qualifying cumulative revenue growth by Three
14 Hundred Million Dollars (\$300,000,000.00) or more.

15 4. The State Board of Equalization, at its December meeting
16 each year, shall make a determination regarding the possibility of a
17 decrease in the income tax rate otherwise prescribed by this
18 subsection. If the revenue conditions prescribed by this subsection
19 are met, which shall be included as part of the findings of the
20 State Board of Equalization, then the income tax rates otherwise
21 prescribed by paragraphs 1 and 2 of subsection C of this section
22 shall be reduced by twenty-five hundredths of one percent (0.0025%)
23 effective on January 1 of the calendar year immediately following
24 the year during which the State Board of Equalization makes the

1 finding that qualifying cumulative revenue growth as defined by this
2 subsection is sufficient to reduce the income tax rates otherwise
3 prescribed by paragraphs 1 and 2 of subsection C of this section.
4 For purposes of this subsection, the total collections from all
5 revenue sources for the fiscal year ending June 30, 2023, shall be
6 the initial base year amount.

7 5. Beginning with the December 2024 meeting of the State Board
8 of Equalization and at each succeeding December meeting, the State
9 Board shall compare the total revenue collections amount for the
10 fiscal year ending on the immediately preceding June 30 date, to the
11 applicable base year total collections amount. If there is an
12 increase in the total collections amount equal to or greater than
13 Three Hundred Million Dollars (\$300,000,000.00) compared to the
14 initial base year total collections amount, the income tax rates
15 otherwise prescribed by paragraphs 1 and 2 of subsection C of this
16 section shall be reduced effective January 1 of the immediately
17 succeeding calendar year. If there is not an increase of at least
18 Three Hundred Million Dollars (\$300,000,000.00) in the total
19 collections amount as reflected in the December certification of
20 total collections compared to the applicable base year total
21 collection amount, there shall be no modification of such income tax
22 rates.

23 6. For any fiscal year with respect to which the qualifying
24 cumulative revenue growth as determined at the December meeting

1 equals or exceeds the applicable base year total collection amount
2 by Three Hundred Million Dollars (\$300,000,000.00) or more, the
3 applicable base year total collections amount shall be adjusted for
4 purposes of any succeeding comparison by adding Three Hundred
5 Million Dollars (\$300,000,000.00) plus the increment of all revenues
6 exceeding Three Hundred Million Dollars (\$300,000,000.00) to the
7 prior base year amount and the resulting sum shall become the
8 adjusted base year amount for purposes of future computations
9 required by this subsection.

10 7. After an adjustment is made to any base year amount, a
11 reduction in the income tax rate otherwise prescribed pursuant to
12 this subsection, in increments of twenty-five hundredths of one
13 percent (0.0025%), may only occur if there is a subsequent increase
14 of Three Hundred Million Dollars (\$300,000,000.00) or more in the
15 qualifying cumulative revenue growth as defined by this subsection.
16 Subject to the determinations regarding the increase in total
17 collections as defined by this subsection, the reductions prescribed
18 by this subsection shall be made for all applicable income tax years
19 until the rates of individual income tax as prescribed by paragraphs
20 1 and 2 of subsection C of this section equals three percent (3.0%).

21 8. If the individual income tax rate as prescribed by
22 subparagraph f of paragraphs 1 and 2 of subsection C of this section
23 reaches three percent (3.0%), such income tax rate shall be in
24 effect for the income tax year beginning on the January 1 date

1 immediately following the income tax year for which the rate of
2 income tax was three and twenty-five hundredths percent (3.25%), and
3 shall be reduced each succeeding income tax year by thirty one-
4 hundredths of one percent (0.003) expressed as a decimal for
5 purposes of the subtraction. Such reduction shall be made for each
6 of the ten (10) succeeding income tax years, each beginning January
7 1, until the rate of individual income tax equals zero percent (0%).

8 E. Nonresident aliens. In lieu of the rates set forth in
9 ~~subsection A above~~ this section, there shall be imposed on
10 nonresident aliens, as defined in the Internal Revenue Code, a tax
11 of eight percent (8%) instead of thirty percent (30%) as used in the
12 Internal Revenue Code, with respect to the Oklahoma taxable income
13 of such nonresident aliens as determined under the provision of the
14 Oklahoma Income Tax Act.

15 Every payer of amounts covered by this subsection shall deduct
16 and withhold from such amounts paid each payee an amount equal to
17 eight percent (8%) thereof. Every payer required to deduct and
18 withhold taxes under this subsection shall for each quarterly period
19 on or before the last day of the month following the close of each
20 such quarterly period, pay over the amount so withheld as taxes to
21 the Tax Commission, and shall file a return with each such payment.
22 Such return shall be in such form as the Tax Commission shall
23 prescribe. Every payer required under this subsection to deduct and
24 withhold a tax from a payee shall, as to the total amounts paid to

1 each payee during the calendar year, furnish to such payee, on or
2 before January 31, of the succeeding year, a written statement
3 showing the name of the payer, the name of the payee and the payee's
4 Social Security account number, if any, the total amount paid
5 subject to taxation, and the total amount deducted and withheld as
6 tax and such other information as the Tax Commission may require.
7 Any payer who fails to withhold or pay to the Tax Commission any
8 sums herein required to be withheld or paid shall be personally and
9 individually liable therefor to the State of Oklahoma.

10 ~~F.~~ F. Corporations. For all taxable years beginning after
11 December 31, 2021, a tax is hereby imposed upon the Oklahoma taxable
12 income of every corporation doing business within this state or
13 deriving income from sources within this state in an amount equal to
14 four percent (4%) thereof.

15 There shall be no additional Oklahoma income tax imposed on
16 accumulated taxable income or on undistributed personal holding
17 company income as those terms are defined in the Internal Revenue
18 Code.

19 ~~F.~~ G. Certain foreign corporations. In lieu of the tax imposed
20 in the first paragraph of subsection ~~D~~ F of this section, for all
21 taxable years beginning after December 31, 2021, there shall be
22 imposed on foreign corporations, as defined in the Internal Revenue
23 Code, a tax of four percent (4%) instead of thirty percent (30%) as
24 used in the Internal Revenue Code, where such income is received

1 from sources within Oklahoma, in accordance with the provisions of
2 the Internal Revenue Code and the Oklahoma Income Tax Act.

3 Every payer of amounts covered by this subsection shall deduct
4 and withhold from such amounts paid each payee an amount equal to
5 four percent (4%) thereof. Every payer required to deduct and
6 withhold taxes under this subsection shall for each quarterly period
7 on or before the last day of the month following the close of each
8 such quarterly period, pay over the amount so withheld as taxes to
9 the Tax Commission, and shall file a return with each such payment.
10 Such return shall be in such form as the Tax Commission shall
11 prescribe. Every payer required under this subsection to deduct and
12 withhold a tax from a payee shall, as to the total amounts paid to
13 each payee during the calendar year, furnish to such payee, on or
14 before January 31, of the succeeding year, a written statement
15 showing the name of the payer, the name of the payee and the payee's
16 Social Security account number, if any, the total amounts paid
17 subject to taxation, the total amount deducted and withheld as tax
18 and such other information as the Tax Commission may require. Any
19 payer who fails to withhold or pay to the Tax Commission any sums
20 herein required to be withheld or paid shall be personally and
21 individually liable therefor to the State of Oklahoma.

22 G. H. Fiduciaries. A tax is hereby imposed upon the Oklahoma
23 taxable income of every trust and estate at the same rates as are
24 provided in subsection B ~~or~~, C, or D of this section for single

1 individuals. Fiduciaries are not allowed a deduction for any
2 federal income tax paid.

3 ~~H.~~ I. Tax rate tables. For all taxable years beginning after
4 December 31, 1991, in lieu of the tax imposed by subsection A, B ~~or,~~
5 C, or D of this section, as applicable there is hereby imposed for
6 each taxable year on the taxable income of every individual, whose
7 taxable income for such taxable year does not exceed the ceiling
8 amount, a tax determined under tables, applicable to such taxable
9 year which shall be prescribed by the Tax Commission and which shall
10 be in such form as it determines appropriate. In the table so
11 prescribed, the amounts of the tax shall be computed on the basis of
12 the rates prescribed by subsection A, B ~~or,~~ C, or D of this section.
13 For purposes of this subsection, the term "ceiling amount" means,
14 with respect to any taxpayer, the amount determined by the Tax
15 Commission for the tax rate category in which such taxpayer falls.

16 SECTION 2. This act shall become effective January 1, 2024.
