4 BILL NO. 3781

By: Duel of the House

5 and

6 Pugh of the Senate

7  
8 An Act relating to physician assistants; creating the  
9 PA Licensure Compact; stating purpose; defining  
10 terms; providing requirements for state participation  
11 in the Compact; providing for Compact privilege;  
12 providing for state designation; providing for  
13 adverse actions; establishing the PA Licensure  
14 Compact Commission; providing for data and reporting  
15 system; providing for rulemaking; providing for  
16 oversight, dispute resolution, and enforcement;  
17 providing for implementation of the Commission;  
18 providing for construction and severability;  
19 providing for binding effect of Compact; providing  
20 for codification; and providing an effective date.

21 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

22 SECTION 1. NEW LAW A new section of law to be codified  
23 in the Oklahoma Statutes as Section 545.1 of Title 59, unless there  
24 is created a duplication in numbering, reads as follows:

In order to strengthen access to medical services and in  
recognition of the advances in the delivery of medical services, the  
participating states of the PA Licensure Compact have allied in  
common purpose to develop a comprehensive process that complements  
the existing authority of state licensing boards to license and

1 discipline physician assistants, or PAs, and seeks to enhance the  
2 portability of a license to practice as a PA while safeguarding the  
3 safety of patients. The Compact allows medical services to be  
4 provided by PAs via the mutual recognition of the licensee's  
5 qualifying license by other Compact participating states. The  
6 Compact also adopts the prevailing standard for PA licensure and  
7 affirms that the practice and delivery of medical services by the PA  
8 occurs where the patient is located at the time of the patient  
9 encounter and therefore requires the PA to be under the jurisdiction  
10 of the state licensing board where the patient is located. State  
11 licensing boards that participate in the Compact retain the  
12 jurisdiction to impose adverse action against a Compact privilege in  
13 that state issued to a PA through the procedures of the Compact.  
14 The PA Licensure Compact will alleviate burdens for military  
15 families by allowing active duty military personnel and their  
16 spouses to obtain a Compact privilege based on having an  
17 unrestricted license in good standing from a participating state.

18 SECTION 2. NEW LAW A new section of law to be codified  
19 in the Oklahoma Statutes as Section 545.2 of Title 59, unless there  
20 is created a duplication in numbering, reads as follows:

21 As used in the Compact:

22 1. "Adverse action" means any administrative, civil, equitable,  
23 or criminal action permitted by a state's laws which is imposed by a  
24 licensing board or other authority against a PA license or license

1 application or Compact privilege such as license denial, censure,  
2 revocation, suspension, probation, monitoring of the licensee, or  
3 restriction on the licensee's practice;

4 2. "Compact privilege" means the authorization granted by a  
5 remote state to allow a licensee from another participating state to  
6 practice as a PA to provide medical services and other licensed  
7 activity to a patient located in the remote state under the remote  
8 state's laws and regulations;

9 3. "Conviction" means a finding by a court that an individual  
10 is guilty of a felony or misdemeanor offense through adjudication or  
11 entry of a plea of guilt or no contest to the charge by the  
12 offender;

13 4. "Criminal background check" means the submission of

22 Compact;

1       6. "Executive committee" means a group of directors and ex  
2 officio individuals elected or appointed pursuant to paragraph 2 of

9 investigation;

10      9. "Jurisprudence requirement" means the assessment of an  
11 individual's knowledge of the laws and rules governing the practice  
12 of a PA in a state;

13      10. "License" means current authorization by a state, other  
14 than authorization pursuant to a Compact privilege, for a PA to  
15 provide medical services, which would be unlawful without current  
16 authorization;

17      11. "Licensee" means an individual who holds a license from a

19      12. "Licensing board" means any state entity authorized to

10 shall confer the same rights and responsibilities to the licensee  
11 under the provisions of the Compact at the time of its enactment;

12       17. "PA Licensure Compact Commission", "Compact Commission", or  
13 "Commission" means the national administrative body created pursuant  
14 to subsection A of Section 7 of this Compact;

15       18. "Qualifying license" means an unrestricted license issued  
16 by a participating state to provide medical services as a PA;

17       19. "Remote state" means a participating state where a licensee  
18 who is not licensed as a PA is exercising or seeking to exercise the  
19 Compact privilege;

20       20. "Rule" means a regulation promulgated by an entity that has  
21 the force and effect of law;

22       21. "Significant investigative information" means investigative  
23 information that a licensing board, after an inquiry or  
24 investigation that includes notification and an opportunity for the

1 PA to respond if required by state law, has reason to believe is not  
2 groundless and, if proven true, would indicate more than a minor  
3 infraction; and

4 22. "State" means any state, commonwealth, district, or  
5 territory of the United States.

6 SECTION 3. NEW LAW A new section of law to be codified

9 A. To participate in the Compact, a participating state shall:

10 1. License PAs;

11 2. Participate in the Compact Commission's data system;

12 3. Have a mechanism in place for receiving and investigating  
13 complaints against licensees and license applicants;

14 4. Notify the Commission, in compliance with the terms of the  
15 Compact and Commission rules, of any adverse action against a  
16 licensee or license applicant and the existence of significant  
17 investigative information regarding a licensee or license applicant;

18 5. Fully implement a criminal background check requirement  
19 within a time frame established by Commission rule, by its licensing  
20 board receiving the results of a criminal background check, and  
21 reporting to the Commission whether the license applicant has been  
22 granted a license;

23 6. Comply with the rules of the Compact Commission;

24

1 7. Utilize passage of a recognized national exam such as the  
2 NCCPA PANCE as a requirement for PA licensure; and

3 8. Grant the Compact privilege to a holder of a qualifying  
4 license in a participating state.

5 B. Nothing in the Compact prohibits a participating state from  
6 charging a fee for granting the Compact privilege.

7 SECTION 4. NEW LAW A new section of law to be codified  
8 in the Oklahoma Statutes as Section 545.4 of Title 59, unless there  
9 is created a duplication in numbering, reads as follows:

10 A. To exercise the Compact privilege, a licensee shall:

12 Accreditation Review Commission on Education for the Physician

13 Assistant, Inc., or other programs authorized by Commission rule;

17 registration suspended or revoked by a state or by the United States

18 Drug Enforcement Administration;

19 5. Have a unique identifier as determined by Commission rule;

20 6. Hold a qualifying license;

21 7. Have had no revocation of a license or limitation or  
22 restriction on any license currently held due to an adverse action;

23 8. If a licensee has had a limitation or restriction on a  
24 license or Compact privilege due to an adverse action, two (2) years

1 must have elapsed from the date on which the license or Compact  
2 privilege is no longer limited or restricted due to the adverse  
3 action;

4 9. If a Compact privilege has been revoked or is limited or  
5 restricted in a participating state for conduct that would not be a  
6 basis for disciplinary action in a participating state in which the  
7 licensee is practicing or applying to practice under a Compact  
8 privilege, that participating state shall have the discretion not to  
9 consider such action as an adverse action requiring the denial or  
10 removal of a Compact privilege in that state;

11 10. Notify the Compact Commission that the licensee is seeking  
12 the Compact privilege in a remote state;

13 11. Meet any jurisprudence requirement of a remote state in  
14 which the licensee is seeking to practice under the Compact  
15 privilege and pay any fees applicable to satisfying the  
16 jurisprudence requirement; and

17 12. Report to the Commission any adverse action taken by a  
18 nonparticipating state within thirty (30) days after the action is  
19 taken.

20 B. The Compact privilege is valid until the expiration or  
21 revocation of the qualifying license unless terminated pursuant to  
22 an adverse action. The licensee must also comply with all of the  
23 requirements of subsection A of this section to maintain the Compact  
24 privilege in a remote state. If the participating state takes

1 adverse action against a qualifying license, the licensee shall lose  
2 the Compact privilege in any remote state in which the licensee has  
3 a Compact privilege until all of the following occur:

- 4 1. The license is no longer limited or restricted; and
- 5 2. Two (2) years have elapsed from the date on which the  
6 license is no longer limited or restricted due to the adverse  
7 action.

8 C. Once a restricted or limited license satisfies the  
9 requirements of paragraphs 1 and 2 of subsection B of this section,  
10 the licensee must meet the requirements of subsection A of this  
11 section to obtain a Compact privilege in any remote state.

12 D. For each remote state in which a PA seeks authority to  
13 prescribe controlled substances, the PA shall satisfy all  
14 requirements imposed by such state in granting or renewing such  
15 authority.

16 SECTION 5. NEW LAW A new section of law to be codified  
17 in the Oklahoma Statutes as Section 545.5 of Title 59, unless there  
18 is created a duplication in numbering, reads as follows:

19 Upon a licensee's application for a Compact privilege, the  
20 licensee shall identify to the Commission the participating state  
21 from which the licensee is applying, in accordance with applicable  
22 rules adopted by the Commission, and subject to the following  
23 requirements:

24

1           1. When applying for a Compact privilege, the licensee shall  
2 provide the Commission with the address of the licensee's primary  
3 residence and thereafter shall immediately report to the Commission  
4 any change in the address of the licensee's primary residence; and

5           2. When applying for a Compact privilege, the licensee is  
6 required to consent to accept service of process by mail at the  
7 licensee's primary residence on file with the Commission with  
8 respect to any action brought against the licensee by the Commission  
9 or a participating state, including a subpoena, with respect to any  
10 action brought or investigation conducted by the Commission or a  
11 participating state.

12           SECTION 6.           NEW LAW           A new section of law to be codified  
13 in the Oklahoma Statutes as Section 545.6 of Title 59, unless there  
14 is created a duplication in numbering, reads as follows:

15           A. A participating state in which a licensee is licensed shall  
16 have exclusive power to impose adverse action against the qualifying  
17 license issued by that participating state.

18           B. In addition to the other powers conferred by state law, a  
19 remote state shall have the authority, in accordance with existing  
20 state due process law, to do all of the following:

21           1. Take adverse action against a PA's Compact privilege within  
22 that state to remove a licensee's Compact privilege or take other  
23 action necessary under applicable law to protect the health and  
24 safety of its citizens;

1           2. Issue subpoenas for both hearings and investigations that  
2 require the attendance and testimony of witnesses, as well as the  
3 production of evidence. Subpoenas issued by a licensing board in a  
4 participating state for the attendance and testimony of witnesses or  
5 the production of evidence from another participating state shall be  
6 enforced in the latter state by any court of competent jurisdiction,  
7 according to the practice and procedure of that court applicable to  
8 subpoenas issued in proceedings pending before it. The issuing  
9 authority shall pay any witness fees, travel expenses, mileage, and  
10 other fees required by the service statutes of the state in which  
11 the witnesses or evidence are located;

12           3. Notwithstanding paragraph 2 of this subsection, subpoenas  
13 may not be issued by a participating state to gather evidence of  
14 conduct in another state that is lawful in that other state for the  
15 purpose of taking adverse action against a licensee's Compact  
16 privilege or application for a Compact privilege in that  
17 participating state; and

18           4. Nothing in the Compact authorizes a participating state to  
19 impose discipline against a PA's Compact privilege or to deny an  
20 application for a Compact privilege in that participating state for  
21 the individual's otherwise lawful practice in another state.

22           C. For purposes of taking adverse action, the participating  
23 state which issued the qualifying license shall give the same  
24 priority and effect to reported conduct received from any other

1 participating state as it would if the conduct had occurred within  
2 the participating state which issued the qualifying license. In so  
3 doing, that participating state shall apply its own state laws to  
4 determine appropriate action.

5 D. A participating state, if otherwise permitted by state law,  
6 may recover from the affected PA the costs of investigations and  
7 disposition of cases resulting from any adverse action taken against  
8 that PA.

9 E. A participating state may take adverse action based on the  
10 factual findings of a remote state, provided that the participating  
11 state follows its own procedures for taking the adverse action.

12 F. Joint investigations:

13 1. In addition to the authority granted to a participating  
14 state by its respective state PA laws and regulations or other  
15 applicable state law, any participating state may participate with  
16 other participating states in joint investigations of licensees; and

17 2. Participating states shall share any investigative,  
18 litigation, or compliance materials in furtherance of any joint or  
19 individual investigation initiated under the Compact.

20 G. If an adverse action is taken against a PA's qualifying  
21 license, the PA's Compact privilege in all remote states shall be  
22 deactivated until two (2) years have elapsed after all restrictions  
23 have been removed from the state license. All disciplinary orders  
24 by the participating state which issued the qualifying license that

1 impose adverse action against a PA's license shall include a  
2 statement that the PA's Compact privilege is deactivated in all  
3 participating states during the pendency of the order.

4 H. If any participating state takes adverse action, it promptly  
5 shall notify the administrator of the data system.

6 SECTION 7. NEW LAW A new section of law to be codified  
7 in the Oklahoma Statutes as Section 545.7 of Title 59, unless there  
8 is created a duplication in numbering, reads as follows:

9 A. The participating states hereby create and establish a joint  
10 government agency and national administrative body known as the PA  
11 Licensure Compact Commission. The Commission is an instrumentality  
12 of the Compact states acting jointly and not an instrumentality of  
13 any one state. The Commission shall come into existence on or after  
14 the effective date of the Compact as set forth in subsection A of  
15 Section 11.

16 B. Membership, voting, and meetings:

17 1. Each participating state shall have and be limited to one  
18 delegate selected by that participating state's licensing board or,  
19 if the state has more than one licensing board, selected  
20 collectively by the participating state's licensing boards;

21 2. The delegate shall be either:

22 a. a current PA, physician, or public member of a  
23 licensing board or PA council/committee, or

24 b. an administrator of a licensing board;

1           3. Any delegate may be removed or suspended from office as  
2 provided by the laws of the state from which the delegate is  
3 appointed;

4           4. The participating state licensing board shall fill any  
5 vacancy occurring in the Commission within sixty (60) days;

6           5. Each delegate shall be entitled to one vote on all matters  
7 voted on by the Commission and shall otherwise have an opportunity  
8 to participate in the business and affairs of the Commission. A  
9 delegate shall vote in person or by such other means as provided in  
10 the bylaws. The bylaws may provide for delegates' participation in  
11 meetings by telecommunications, video conference, or other means of  
12 communication;

13           6. The Commission shall meet at least once during each calendar  
14 year. Additional meetings shall be held as set forth in the Compact  
15 and the bylaws; and

16           7. The Commission shall establish by rule a term of office for  
17 delegates.

18           C. The Commission shall have the following powers and duties:

19           1. Establish a code of ethics for the Commission;

20           2. Establish the fiscal year of the Commission;

21           3. Establish fees;

22           4. Establish bylaws;

23           5. Maintain its financial records in accordance with the  
24 bylaws;

1           6. Meet and take such actions as are consistent with the  
2 provisions of the Compact and the bylaws;

3           7. Promulgate rules to facilitate and coordinate implementation  
4 and administration of the Compact. The rules shall have the force  
5 and effect of law and shall be binding in all participating states;

6           8. Bring and prosecute legal proceedings or actions in the name  
7 of the Commission, provided that the standing of any state licensing  
8 board to sue or be sued under applicable law shall not be affected;

9           9. Purchase and maintain insurance and bonds;

10          10. Borrow, accept, or contract for services of personnel,  
11 including, but not limited to, employees of a participating state;

12          11. Hire employees and engage contractors, elect or appoint  
13 officers, fix compensation, define duties, grant such individuals  
14 appropriate authority to carry out the purposes of the Compact, and  
15 establish the Commission's personnel policies and programs relating  
16 to conflicts of interest, qualifications of personnel, and other  
17 related personnel matters;

18          12. Accept any and all appropriate donations and grants of  
19 money, equipment, supplies, materials, and services, and receive,  
20 utilize, and dispose of the same, provided that at all times the  
21 Commission shall avoid any appearance of impropriety or conflict of  
22 interest;

23          13. Lease, purchase, accept appropriate gifts or donations of,  
24 or otherwise own, hold, improve, or use, any property, real,

1 personal or mixed, provided that at all times the Commission shall  
2 avoid any appearance of impropriety;

3 14. Sell, convey, mortgage, pledge, lease, exchange, abandon,  
4 or otherwise dispose of any property, real, personal, or mixed;

5 15. Establish a budget and make expenditures;

6 16. Borrow money;

7 17. Appoint committees, including standing committees, composed  
8 of members, state regulators, state legislators or their  
9 representatives, and consumer representatives and such other  
10 interested persons as may be designated in the Compact and the  
11 bylaws;

12 18. Provide and receive information from, and cooperate with,  
13 law enforcement agencies;

14 19. Elect a chair, vice-chair, secretary and treasurer, and  
15 such other officers of the Commission as provided in the  
16 Commission's bylaws;

17 20. Reserve for itself, in addition to those reserved  
18 exclusively to the Commission under the Compact, powers that the  
19 executive committee may not exercise;

20 21. Approve or disapprove a state's participation in the  
21 Compact based upon its determination as to whether the state's  
22 Compact legislation departs in a material manner from the model  
23 Compact language;

24

1 22. Prepare and provide to the participating states an annual  
2 report; and

3 23. Perform such other functions as may be necessary or  
4 appropriate to achieve the purposes of the Compact consistent with  
5 the state regulation of PA licensure and practice.

6 D. Meetings of the Commission:

7 1. All meetings of the Commission that are not closed pursuant  
8 to this subsection shall be open to the public. Notice of public  
9 meetings shall be posted on the Commission's website at least thirty  
10 (30) days prior to the public meeting;

11 2. Notwithstanding paragraph 1 of this subsection, the  
12 Commission may convene a public meeting by providing at least  
13 twenty-four (24) hours prior notice on the Commission's website, and  
14 any other means as provided in the Commission's rules, for any of  
15 the reasons it may dispense with notice of proposed rulemaking under  
16 subsection L of Section 9 of this Compact;

17 3. The Commission may convene in a closed, nonpublic meeting or  
18 nonpublic part of a public meeting to receive legal advice or to  
19 discuss:

- 20 a. noncompliance of a participating state with its
- 21 obligations under the Compact,
- 22 b. the employment, compensation, discipline, or other
- 23 matters, practices, or procedures, related to specific

24

- 1 employees or other matters related to the Commission's  
2 internal personnel practices and procedures,
- 3 c. current, threatened, or reasonably anticipated  
4 litigation,
- 5 d. negotiation of contracts for the purchase, lease, or  
6 sale of goods, services, or real estate,
- 7 e. accusing any person of a crime or formally censuring  
8 any person,
- 9 f. disclosure of trade secrets or commercial or financial  
10 information that is privileged or confidential,
- 11 g. disclosure of information of a personal nature where  
12 disclosure would constitute a clearly unwarranted  
13 invasion of personal privacy,
- 14 h. disclosure of investigative records compiled for law  
15 enforcement purposes,
- 16 i. disclosure of information related to any investigative  
17 reports prepared by or on behalf of or for use of the  
18 Commission or other committee charged with  
19 responsibility of investigation or determination of  
20 compliance issues pursuant to the Compact,
- 21 j. legal advice, or
- 22 k. matters specifically exempted from disclosure by  
23 federal or participating states' statutes;
- 24

1 4. If a meeting, or portion of a meeting, is closed pursuant to  
2 this subsection, the chair of the meeting or the chair's designee  
3 shall certify that the meeting or portion of the meeting may be  
4 closed and shall reference each relevant exempting provision; and

5 5. The Commission shall keep minutes that fully and clearly  
6 describe all matters discussed in a meeting and shall provide a full  
7 and accurate summary of actions taken, including a description of  
8 the views expressed. All documents considered in connection with an  
9 action shall be identified in such minutes. All minutes and  
10 documents of a closed meeting shall remain under seal, subject to  
11 release by a majority vote of the Commission or order of a court of  
12 competent jurisdiction.

13 E. Financing of the Commission:

14 1. The Commission shall pay, or provide for the payment of, the  
15 reasonable expenses of its establishment, organization, and ongoing  
16 activities;

17 2. The Commission may accept any and all appropriate revenue  
18 sources, donations, and grants of money, equipment, supplies,  
19 materials, and services; and

20 3. The Commission may levy on and collect an annual assessment  
21 from each participating state and may impose Compact privilege fees  
22 on licensees of participating states to whom a Compact privilege is  
23 granted to cover the cost of the operations and activities of the  
24 Commission and its staff, which must be in a total amount sufficient

1 to cover its annual budget as approved by the Commission each year  
2 for which revenue is not provided by other sources. The aggregate  
3 annual assessment amount levied on participating states shall be  
4 allocated based upon a formula to be determined by Commission rule.

5 a. a Compact privilege expires when the licensee's  
6 qualifying license in the participating state from  
7 which the licensee applied for the Compact privilege  
8 expires, and

9 b. if the licensee terminates the qualifying license  
10 through which the licensee applied for the Compact  
11 privilege before its scheduled expiration, and the  
12 licensee has a qualifying license in another  
13 participating state, the licensee shall inform the  
14 Commission that it is changing to that participating  
15 state the participating state through which it applies  
16 for a Compact privilege and pay to the Commission any  
17 Compact privilege fee required by Commission rule;

18 4. The Commission shall not incur obligations of any kind prior  
19 to securing the funds adequate to meet the same, nor shall the  
20 Commission pledge the credit of any of the participating states,  
21 except by and with the authority of the participating state;

22 5. The Commission shall keep accurate accounts of all receipts  
23 and disbursements. The receipts and disbursements of the Commission  
24 shall be subject to the financial review and accounting procedures

1 established under its bylaws. All receipts and disbursements of  
2 funds handled by the Commission shall be subject to an annual  
3 financial review by a certified or licensed public accountant, and  
4 the report of the financial review shall be included in and become  
5 part of the annual report of the Commission.

6 F. The executive committee:

7 1. The executive committee shall have the power to act on  
8 behalf of the Commission according to the terms of the Compact and  
9 Commission rules;

10 2. The executive committee shall be composed of nine (9)  
11 members:

12 a. seven voting members who are elected by the Commission  
13 from the current membership of the Commission,

14 b. one ex officio, nonvoting member from a recognized  
15 national PA professional association, and

16 c. one ex officio, nonvoting member from a recognized  
17 national PA certification organization;

18 3. The ex officio members will be selected by their respective  
19 organizations;

20 4. The Commission may remove any member of the executive  
21 committee as provided in its bylaws;

22 5. The executive committee shall meet at least annually;

23 6. The executive committee shall have the following duties and  
24 responsibilities:

- a. recommend to the Commission changes to the Commission's rules or bylaws, changes to the Compact legislation, fees to be paid by Compact participating states such as annual dues, and any Commission Compact fee charged to licensees for the Compact privilege,
- b. ensure Compact administration services are appropriately provided, contractual or otherwise,
- c. prepare and recommend the budget,
- d. maintain financial records on behalf of the Commission,
- e. monitor Compact compliance of participating states and provide compliance reports to the Commission,
- f. establish additional committees as necessary,
- g. exercise the powers and duties of the Commission during the interim between Commission meetings, except for issuing proposed rulemaking or adopting Commission rules or bylaws, or exercising any other powers and duties exclusively reserved to the Commission by the Commission's rules, and
- h. perform other duties as provided in the Commission's rules or bylaws;

7. All meetings of the executive committee at which it votes or plans to vote on matters in exercising the powers and duties of the Commission shall be open to the public, and public notice of such

1 meetings shall be given as public meetings of the Commission are  
2 given; and

3 8. The executive committee may convene in a closed, nonpublic  
4 meeting for the same reasons that the Commission may convene in a  
5 nonpublic meeting as set forth in paragraph 3 of subsection D of  
6 this section and shall announce the closed meeting as the Commission  
7 is required to under paragraph 4 of subsection D of this section and  
8 keep minutes of the closed meeting as the Commission is required to  
9 under paragraph 5 of subsection D of this section.

10 G. Qualified immunity, defense, and indemnification:

11 1. The members, officers, executive director, employees, and  
12 representatives of the Commission shall be immune from suit and  
13 liability, both personally and in their official capacity, for any  
14 claim for damage to or loss of property or personal injury or other  
15 civil liability caused by or arising out of any actual or alleged  
16 act, error, or omission that occurred, or that the person against  
17 whom the claim is made had a reasonable basis for believing it  
18 occurred within the scope of Commission employment, duties, or  
19 responsibilities, provided that nothing in this paragraph shall be  
20 construed to protect any such person from suit or liability for any  
21 damage, loss, injury, or liability caused by the intentional or  
22 willful or wanton misconduct of that person. The procurement of  
23 insurance of any type by the Commission shall not in any way  
24 compromise or limit the immunity granted hereunder;

1           2. The Commission shall defend any member, officer, executive  
2 director, employee, and representative of the Commission in any  
3 civil action seeking to impose liability arising out of any actual  
4 or alleged act, error, or omission that occurred within the scope of  
5 Commission employment, duties, or responsibilities, or as determined  
6 by the Commission that the person against whom the claim is made had  
7 a reasonable basis for believing occurred within the scope of  
8 Commission employment, duties, or responsibilities, provided that  
9 nothing herein shall be construed to prohibit that person from  
10 retaining their own counsel at their own expense, and provided  
11 further, that the actual or alleged act, error, or omission did not  
12 result from that person's intentional or willful or wanton  
13 misconduct;

14           3. The Commission shall indemnify and hold harmless any member,  
15 officer, executive director, employee, and representative of the  
16 Commission for the amount of any settlement or judgment obtained  
17 against that person arising out of any actual or alleged act, error,  
18 or omission that occurred within the scope of Commission employment,  
19 duties, or responsibilities, or that such person had a reasonable  
20 basis for believing occurred within the scope of Commission  
21 employment, duties, or responsibilities, provided that the actual or  
22 alleged act, error, or omission did not result from the intentional  
23 or willful or wanton misconduct of that person;

24

1 4. Venue is proper and judicial proceedings by or against the  
2 Commission shall be brought solely and exclusively in a court of  
3 competent jurisdiction where the principal office of the Commission  
4 is located. The Commission may waive venue and jurisdictional  
5 defenses in any proceedings as authorized by Commission rules;

6 5. Nothing herein shall be construed as a limitation on the  
7 liability of any licensee for professional malpractice or  
8 misconduct, which shall be governed solely by any other applicable  
9 state laws;

10 6. Nothing herein shall be construed to designate the venue or  
11 jurisdiction to bring actions for alleged acts of malpractice,  
12 professional misconduct, negligence, or other such civil action  
13 pertaining to the practice of a PA. All such matters shall be  
14 determined exclusively by state law other than the Compact;

15 7. Nothing in the Compact shall be interpreted to waive or  
16 otherwise abrogate a participating state's state action immunity or  
17 state action affirmative defense with respect to antitrust claims  
18 under the Sherman Act, Clayton Act, or any other state or federal  
19 antitrust or anticompetitive law or regulation; and

20 8. Nothing in the Compact shall be construed to be a waiver of  
21 sovereign immunity by the participating states or by the Commission.

22 SECTION 8. NEW LAW A new section of law to be codified  
23 in the Oklahoma Statutes as Section 545.8 of Title 59, unless there  
24 is created a duplication in numbering, reads as follows:

1       A. The Commission shall provide for the development,  
2 maintenance, operation, and utilization of a coordinated data and  
3 reporting system containing licensure, adverse action, and the  
4 reporting of the existence of significant investigative information  
5 on all licensed PAs and applicants denied a license in participating  
6 states.

7       B. Notwithstanding any other state law to the contrary, a  
8 participating state shall submit a uniform data set to the data  
9 system on all PAs to whom the Compact is applicable (utilizing a  
10 unique identifier) as required by the rules of the Commission,  
11 including:

- 12       1. Identifying information;
- 13       2. Licensure data;
- 14       3. Adverse actions against a license or Compact privilege; and
- 15       4. Any denial of application for licensure and the reason for  
16 such denial, excluding the reporting of any criminal history record  
17 information where prohibited by law;
- 18       5. The existence of significant investigative information; and
- 19       6. Other information that may facilitate the administration of  
20 the Compact, as determined by the rules of the Commission.

21       C. Significant investigative information pertaining to a  
22 licensee in any participating state shall only be available to other  
23 participating states.

24

1 D. The Commission shall promptly notify all participating  
2 states of any adverse action taken against a licensee or an  
3 individual applying for a license that has been reported to it.  
4 This adverse action information shall be available to any other  
5 participating state.

6 E. Participating states contributing information to the data  
7 system may, in accordance with state or federal law, designate  
8 information that may not be shared with the public without the  
9 express permission of the contributing state. Notwithstanding any  
10 such designation, such information shall be reported to the  
11 Commission through the data system.

12 F. Any information submitted to the data system that is  
13 subsequently expunged pursuant to federal law or the laws of the  
14 participating state contributing the information shall be removed  
15 from the data system upon reporting of such by the participating  
16 state to the Commission.

17 G. The records and information provided to a participating  
18 state pursuant to the Compact or through the data system, when  
19 certified by the Commission or an agent thereof, shall constitute  
20 the authenticated business records of the Commission and shall be  
21 entitled to any associated hearsay exception in any relevant  
22 judicial, quasi-judicial, or administrative proceedings in a  
23 participating state.

24

1           SECTION 9.           NEW LAW           A new section of law to be codified  
2 in the Oklahoma Statutes as Section 545.9 of Title 59, unless there  
3 is created a duplication in numbering, reads as follows:

4           A. The Commission shall exercise its rulemaking powers pursuant  
5 to the criteria set forth in this section and the rules adopted  
6 thereunder. Commission rules shall become binding as of the date  
7 specified by the Commission for each rule.

8           B. The Commission shall promulgate reasonable rules in order to  
9 effectively and efficiently implement and administer the Compact and  
10 achieve its purposes. A Commission rule shall be invalid and have  
11 no force or effect only if a court of competent jurisdiction holds  
12 that the rule is invalid because the Commission exercised its  
13 rulemaking authority in a manner that is beyond the scope of the  
14 purposes of the Compact, or the powers granted hereunder, or based  
15 upon another applicable standard of review.

16           C. The rules of the Commission shall have the force of law in  
17 each participating state; provided, however, that where the rules of  
18 the Commission conflict with the laws of the participating state  
19 that establish the medical services a PA may perform in the  
20 participating state, as held by a court of competent jurisdiction,  
21 the rules of the Commission shall be ineffective in that state to  
22 the extent of the conflict.

23           D. If a majority of the legislatures of the participating  
24 states rejects a Commission rule, by enactment of a statute or

1 resolution in the same manner used to adopt the Compact within four  
2 (4) years of the date of adoption of the rule, then such rule shall  
3 have no further force and effect in any participating state or to  
4 any state applying to participate in the Compact.

5 E. Commission rules shall be adopted at a regular or special  
6 meeting of the Commission.

7 F. Prior to promulgation and adoption of a final rule or rules  
8 by the Commission, and at least thirty (30) days in advance of the  
9 meeting at which the rule will be considered and voted upon, the  
10 Commission shall file a notice of proposed rulemaking:

11 1. On the website of the Commission or other publicly  
12 accessible platform;

13 2. To persons who have requested notice of the Commission's  
14 notices of proposed rulemaking; and

15 3. In such other way(s) as the Commission may by rule specify.

16 G. The notice of proposed rulemaking shall include:

17 1. The time, date, and location of the public hearing on the  
18 proposed rule and the proposed time, date, and location of the  
19 meeting in which the proposed rule will be considered and voted  
20 upon;

21 2. The text of the proposed rule and the reason for the  
22 proposed rule;

23

24

1           3. A request for comments on the proposed rule from any  
2 interested person and the date by which written comments must be  
3 received; and

4           4. The manner in which interested persons may submit notice to  
5 the Commission of their intention to attend the public hearing or  
6 provide any written comments.

7           H. Prior to adoption of a proposed rule, the Commission shall  
8 allow persons to submit written data, facts, opinions, and  
9 arguments, which shall be made available to the public.

10          I. If the hearing is to be held via electronic means, the  
11 Commission shall publish the mechanism for access to the electronic  
12 hearing.

13          1. All persons wishing to be heard at the hearing shall, as  
14 directed in the notice of proposed rulemaking, not less than five  
15 (5) business days before the scheduled date of the hearing, notify  
16 the Commission of their desire to appear and testify at the hearing.

17          2. Hearings shall be conducted in a manner providing each  
18 person who wishes to comment a fair and reasonable opportunity to  
19 comment orally or in writing.

20          3. All hearings shall be recorded. A copy of the recording and  
21 the written comments, data, facts, opinions, and arguments received  
22 in response to the proposed rulemaking shall be made available to a  
23 person upon request.

24

1 4. Nothing in this section shall be construed as requiring a  
2 separate hearing on each proposed rule. Proposed rules may be  
3 grouped for the convenience of the Commission at hearings required  
4 by this section.

5 J. Following the public hearing, the Commission shall consider  
6 all written and oral comments timely received.

7 K. The Commission shall, by majority vote of all delegates,  
8 take final action on the proposed rule and shall determine the  
9 effective date of the rule, if adopted, based on the rulemaking  
10 record and the full text of the rule.

11 1. If adopted, the rule shall be posted on the Commission's  
12 website.

13 2. The Commission may adopt changes to the proposed rule  
14 provided the changes do not enlarge the original purpose of the  
15 proposed rule.

16 3. The Commission shall provide on its website an explanation  
17 of the reasons for substantive changes made to the proposed rule, as  
18 well as reasons for substantive changes not made that were  
19 recommended by commenters.

20 4. The Commission shall determine a reasonable effective date  
21 for the rule. Except for an emergency as provided in subsection L  
22 of this section, the effective date of the rule shall be no sooner  
23 than thirty (30) days after the Commission issued the notice that it  
24 adopted the rule.

1 L. Upon determination that an emergency exists, the Commission  
2 may consider and adopt an emergency rule with twenty-four (24) hours  
3 prior notice, without the opportunity for comment or hearing,  
4 provided that the usual rulemaking procedures provided in the  
5 Compact and in this section shall be retroactively applied to the  
6 rule as soon as reasonably possible, in no event later than ninety  
7 (90) days after the effective date of the rule. For the purposes of  
8 this subsection, an emergency rule is one that must be adopted  
9 immediately by the Commission in order to:

10 1. Meet an imminent threat to public health, safety, or  
11 welfare;

12 2. Prevent a loss of Commission or participating state funds;

13 3. Meet a deadline for the promulgation of a Commission rule  
14 that is established by federal law or rule; or

15 4. Protect public health and safety.

16 M. The Commission or an authorized committee of the Commission  
17 may direct revisions to a previously adopted Commission rule for  
18 purposes of correcting typographical errors, errors in format,  
19 errors in consistency, or grammatical errors. Public notice of any  
20 revisions shall be posted on the website of the Commission. The  
21 revision shall be subject to challenge by any person for a period of  
22 thirty (30) days after posting. The revision may be challenged only  
23 on grounds that the revision results in a material change to a rule.  
24 A challenge shall be made as set forth in the notice of revisions

1 and delivered to the Commission prior to the end of the notice  
2 period. If no challenge is made, the revision will take effect  
3 without further action. If the revision is challenged, the revision  
4 may not take effect without the approval of the Commission.

5 N. No participating state's rulemaking requirements shall apply  
6 under the Compact.

7 SECTION 10. NEW LAW A new section of law to be codified  
8 in the Oklahoma Statutes as Section 545.10 of Title 59, unless there  
9 is created a duplication in numbering, reads as follows:

10 A. Oversight:

11 1. The executive and judicial branches of state government in  
12 each participating state shall enforce the Compact and take all  
13 actions necessary and appropriate to implement the Compact;

14 2. Venue is proper and judicial proceedings by or against the  
15 Commission shall be brought solely and exclusively in a court of  
16 competent jurisdiction where the principal office of the Commission  
17 is located. The Commission may waive venue and jurisdictional  
18 defenses to the extent it adopts or consents to participate in  
19 alternative dispute resolution proceedings. Nothing herein shall  
20 affect or limit the selection or propriety of venue in any action  
21 against a licensee for professional malpractice, misconduct, or any  
22 such similar matter; and

23 3. The Commission shall be entitled to receive service of  
24 process in any proceeding regarding the enforcement or

1 interpretation of the Compact or the Commission's rules and shall  
2 have standing to intervene in such a proceeding for all purposes.  
3 Failure to provide the Commission with service of process shall  
4 render a judgment or order in such proceeding void as to the  
5 Commission, the Compact, or Commission rules.

6 B. Default, technical assistance, and termination:

7 1. If the Commission determines that a participating state has  
8 defaulted in the performance of its obligations or responsibilities  
9 under the Compact or the Commission rules, the Commission shall  
10 provide written notice to the defaulting state and other  
11 participating states. The notice shall describe the default, the  
12 proposed means of curing the default, and any other action that the  
13 Commission may take and shall offer remedial training and specific  
14 technical assistance regarding the default;

15 2. If a state in default fails to cure the default, the  
16 defaulting state may be terminated from the Compact upon an  
17 affirmative vote of a majority of the delegates of the participating  
18 states, and all rights, privileges, and benefits conferred by the  
19 Compact upon such state may be terminated on the effective date of  
20 termination. A cure of the default does not relieve the offending  
21 state of obligations or liabilities incurred during the period of  
22 default;

23 3. Termination of participation in the Compact shall be imposed  
24 only after all other means of securing compliance have been

1 exhausted. Notice of intent to suspend or terminate shall be given  
2 by the Commission to the governor, the majority and minority leaders  
3 of the defaulting state's legislature, and to the licensing boards  
4 of each of the participating states;

5 4. A state that has been terminated is responsible for all  
6 assessments, obligations, and liabilities incurred through the  
7 effective date of termination, including obligations that extend  
8 beyond the effective date of termination;

9 5. The Commission shall not bear any costs related to a state  
10 that is found to be in default or that has been terminated from the  
11 Compact, unless agreed upon in writing between the Commission and  
12 the defaulting state;

13 6. The defaulting state may appeal its termination from the  
14 Compact by the Commission by petitioning the U.S. District Court for  
15 the District of Columbia or the federal district where the  
16 Commission has its principal offices. The prevailing member shall  
17 be awarded all costs of such litigation, including reasonable  
18 attorney fees; and

19 7. Upon the termination of a state's participation in the  
20 Compact, the state shall immediately provide notice to all licensees  
21 within that state of such termination:

22 a. licensees who have been granted a Compact privilege in  
23 that state shall retain the Compact privilege for one  
24

1 hundred eighty (180) days following the effective date  
2 of such termination, and

3 b. licensees who are licensed in that state who have been  
4 granted a Compact privilege in a participating state  
5 shall retain the Compact privilege for one hundred  
6 eighty (180) days unless the licensee also has a  
7 qualifying license in a participating state or obtains  
8 a qualifying license in a participating state before  
9 the one-hundred-eighty-day period ends, in which case  
10 the Compact privilege shall continue.

11 C. Dispute resolution:

12 1. Upon request by a participating state, the Commission shall  
13 attempt to resolve disputes related to the Compact that arise among  
14 participating states and between participating and nonparticipating  
15 states; and

16 2. The Commission shall promulgate a rule providing for both  
17 mediation and binding dispute resolution for disputes as  
18 appropriate.

19 D. Enforcement:

20 1. The Commission, in the reasonable exercise of its  
21 discretion, shall enforce the provisions of the Compact and rules of  
22 the Commission;

23 2. If compliance is not secured after all means to secure  
24 compliance have been exhausted, by majority vote, the Commission may

1 initiate legal action in the U.S. District Court for the District of  
2 Columbia or the federal district where the Commission has its  
3 principal offices against a participating state in default to  
4 enforce compliance with the provisions of the Compact and the  
5 Commission's promulgated rules and bylaws. The relief sought may  
6 include both injunctive relief and damages. In the event judicial  
7 enforcement is necessary, the prevailing party shall be awarded all  
8 costs of such litigation, including reasonable attorney fees; and

9 3. The remedies herein shall not be the exclusive remedies of  
10 the Commission. The Commission may pursue any other remedies  
11 available under federal or state law.

12 E. Legal action against the Commission:

13 1. A participating state may initiate legal action against the  
14 Commission in the U.S. District Court for the District of Columbia  
15 or the federal district where the Commission has its principal  
16 offices to enforce compliance with the provisions of the Compact and  
17 its rules. The relief sought may include both injunctive relief and  
18 damages. In the event judicial enforcement is necessary, the  
19 prevailing party shall be awarded all costs of such litigation,  
20 including reasonable attorney fees.

21 2. No person other than a participating state shall enforce the  
22 Compact against the Commission.

23

24

1 SECTION 11. NEW LAW A new section of law to be codified  
2 in the Oklahoma Statutes as Section 545.11 of Title 59, unless there  
3 is created a duplication in numbering, reads as follows:

4 A. The Compact shall come into effect on the date on which the  
5 Compact statute is enacted into law in the seventh participating  
6 state.

7 1. On or after the effective date of the Compact, the  
8 Commission shall convene and review the enactment of each of the  
9 states that enacted the Compact prior to the Commission convening  
10 "Charter Participating States" to determine if the statute enacted  
11 by each such Charter Participating State is materially different  
12 than the model Compact:

13 a. A Charter Participating State whose enactment is found  
14 to be materially different from the model Compact  
15 shall be entitled to the default process set forth in  
16 subsection B of Section 10 of this Compact, and

17 b. If any participating state later withdraws from the  
18 Compact or its participation is terminated, the  
19 Commission shall remain in existence and the Compact  
20 shall remain in effect even if the number of  
21 participating states should be less than seven.

22 Participating states enacting the Compact subsequent  
23 to the Commission convening shall be subject to the  
24 process set forth in paragraph 21 of subsection C of

1 Section 7 of this Compact to determine if their  
2 enactments are materially different from the model  
3 Compact and whether they qualify for participation in  
4 the Compact;

5 2. Participating states enacting the Compact subsequent to the  
6 seven initial Charter Participating States shall be subject to the  
7 process set forth in paragraph 21 of subsection C of Section 7 of  
8 this Compact to determine if their enactments are materially  
9 different from the model Compact and whether they qualify for  
10 participation in the Compact; and

11 3. All actions taken for the benefit of the Commission or in  
12 furtherance of the purposes of the administration of the Compact  
13 prior to the effective date of the Compact or the Commission coming  
14 into existence shall be considered to be actions of the Commission  
15 unless specifically repudiated by the Commission.

16 B. Any state that joins the Compact shall be subject to the  
17 Commission's rules and bylaws as they exist on the date on which the  
18 Compact becomes law in that state. Any rule that has been  
19 previously adopted by the Commission shall have the full force and  
20 effect of law on the day the Compact becomes law in that state.

21 C. Any participating state may withdraw from the Compact by  
22 enacting a statute repealing the same.

23 1. A participating state's withdrawal shall not take effect  
24 until one hundred eighty (180) days after enactment of the repealing

1 statute. During this one-hundred-eighty-day period, all Compact  
2 privileges that were in effect in the withdrawing state and were  
3 granted to licensees licensed in the withdrawing state shall remain  
4 in effect. If any licensee licensed in the withdrawing state is  
5 also licensed in another participating state or obtains a license in  
6 another participating state within the one hundred eighty (180)  
7 days, the licensee's Compact privileges in other participating  
8 states shall not be affected by the passage of the one hundred  
9 eighty (180) days.

10 2. Withdrawal shall not affect the continuing requirement of  
11 the state licensing boards of the withdrawing state to comply with  
12 the investigative and adverse action reporting requirements of the  
13 Compact prior to the effective date of withdrawal.

14 3. Upon the enactment of a statute withdrawing a state from the  
15 Compact, the state shall immediately provide notice of such  
16 withdrawal to all licensees within that state. Such withdrawing  
17 state shall continue to recognize all licenses granted pursuant to  
18 the Compact for a minimum of one hundred eighty (180) days after the  
19 date of such notice of withdrawal.

20 D. Nothing contained in the Compact shall be construed to  
21 invalidate or prevent any PA licensure agreement or other  
22 cooperative arrangement between participating states and between a  
23 participating state and nonparticipating state that does not  
24 conflict with the provisions of the Compact.

1 E. The Compact may be amended by the participating states. No  
2 amendment to the Compact shall become effective and binding upon any  
3 participating state until it is enacted materially in the same  
4 manner into the laws of all participating states as determined by  
5 the Commission.

6 SECTION 12. NEW LAW A new section of law to be codified  
7 in the Oklahoma Statutes as Section 545.12 of Title 59, unless there  
8 is created a duplication in numbering, reads as follows:

9 A. The Compact and the Commission's rulemaking authority shall  
10 be liberally construed so as to effectuate the purposes and the  
11 implementation and administration of the Compact. Provisions of the  
12 Compact expressly authorizing or requiring the promulgation of rules  
13 shall not be construed to limit the Commission's rulemaking  
14 authority solely for those purposes.

15 B. The provisions of the Compact shall be severable, and if any  
16 phrase, clause, sentence, or provision of the Compact is held by a  
17 court of competent jurisdiction to be contrary to the constitution  
18 of any participating state, a state seeking participation in the  
19 Compact, or of the United States, or the applicability thereof to  
20 any government, agency, person, or circumstance is held to be  
21 unconstitutional by a court of competent jurisdiction, the validity  
22 of the remainder of the Compact and the applicability thereof to any  
23 other government, agency, person, or circumstance shall not be  
24 affected thereby.
