

BILL SUMMARY
1st Session of the 59th Legislature

Bill No.:	HB 1446
Version:	INT
Request Number:	6099
Author:	Rep. Provenzano
Date:	2/10/2023
Impact:	No Impact

Research Analysis

HB 1446, as introduced, allows any student who takes a math class required for graduation before ninth grade to have that course count towards their graduation requirements.

Prepared By: Emily Byrne

Fiscal Analysis

As written, the measure is not expected to result in a negative fiscal impact on the state budget or appropriations.

Prepared By: Cole Stout, House Fiscal Staff

Other Considerations

None.
