

BILL SUMMARY
1st Session of the 59th Legislature

Bill No.:	HB1713
Version:	FA1
Request Number:	
Author:	Rep. Marti
Date:	3/21/2023
Impact:	\$0

Research Analysis

The floor amendment for HB 1713 allows for providers and health care facilities to dispense and administer a covered physician-administered drug that has been chosen by the health care provider in collaboration with the patient. The amendment also outlines the calculation that qualifies the reimbursement for the drug at the health insurer's negotiated contracted rate.

Prepared By: Matthew Brenchley

Fiscal Analysis

HB 1713 creates a penalty of \$5,000.00-\$10,000.00 for any payor per violation to be paid to the Oklahoma Insurance Department (OID). OID will have an increased workload depending on the number of cases that occur because of the change. The fines will help offset any increase in cost to the agency. As OID is a non-appropriated agency, there is no fiscal impact to the state budget.
