**Research Analysis**

The subcommittee recommendation for HB 1860 directs the Oklahoma Department of Agriculture, Food, and Forestry to facilitate purchases of local foods by school districts and creates the Oklahoma Local Food for Schools revolving fund.

**Fiscal Analysis**

This measure as written, does not require additional funds, as it is just setting up a grant program and the revolving fund to go with it. There is a request to fund the program at \$3,200,000.00, through the state budget. Currently though, there is no fiscal impact from the measure.
