Research Analysis

The committee substitute for HB 2059 repeals the following section of law which relates to the Commercial Pet Breeders and Animal Shelter Licensing Act:

[OS 4 Section 30.11 – Annual Reports](#)

Prepared By: Emily Byrne

Fiscal Analysis

The Department of Agriculture, Food and Forestry says that while this repeal will save staff some time, it does not create any sort of fiscal impact for the agency. Therefore, there is no fiscal impact for the state. The committee amendments do not change the fiscal impact of the measure.
