Research Analysis

The amendment to HB 2084 changes the required age of a wine delivery employee to 18 rather than 21.

HB 2084, as amended, requires wine sold for off-premises consumption to be in a sealed container from the winemaker licensee and transferred within the license premises by an employee who is at least 18 years old and verifies the age of the recipient upon delivery. If the employee cannot safely verify the recipient's age or intoxication level, they must cancel the sale.
