

BILL SUMMARY
1st Session of the 59th Legislature

Bill No.:	HB2146
Version:	FA1
Request Number:	
Author:	Rep. McDugle
Date:	3/21/2023
Impact:	Minimal impact

Research Analysis

The floor substitute for HB 2146 requires that the Oklahoma Medical Marijuana Authority create an application for a Nonresident Medical Marijuana Patient License. The measure requires that adult patients be under the care of a licensed Oklahoma physician, sets the validity of these licenses for 2 years, and establishes the initial cost of the license at \$250 and the cost of reprints at \$20.

Prepared By: Matthew Brenchley

Fiscal Analysis

After review, the FA1 to HB2146 has minimal impact to OMMA.

Prepared By: Stacy Johnson, House Fiscal Staff

Other Considerations

None.
