The second proposed committee substitute for HB 2165 requires an individual who is under 21 who purchases, receives, or possess a tobacco, nicotine, or vapor product or attempts to purchase any of these products using false proof of age to complete an education or tobacco use cessation program approved by the court. If the violator fails to complete the court ordered program, a fine not to exceed \$50 may be imposed or a fine not to exceed \$100 may be imposed for subsequent offenses. The violator may also be required to complete a community service program or other appropriate programs or services as the court orders. To ensure all programs and court order are followed, the court will have jurisdiction over the violator for 12 months.
