

BILL SUMMARY
1st Session of the 59th Legislature

Bill No.:	HB2360
Version:	Introduced
Request Number:	5917
Author:	Rep. Boles
Date:	2/14/2023
Impact:	\$0

Research Analysis

HB 2360, as introduced, requires telecommunications providers applying for a Certificate of Convenience and Necessity to attest that they will comply with all applicable state and federal laws, and any rules and orders from the Corporation Commission.

The measure requires the telecommunications provider, instead of the Corporation Commission, to publish the required notice of application in a newspaper. Further, the applicant must provide notice of application to any cities and towns registered to receive such notices.

Prepared By: Emily Byrne

Fiscal Analysis

This measure should not create a fiscal impact to the state.

Prepared By: Mariah Searock, House Fiscal Staff

Other Considerations

None.
