Research Analysis

HB 2418 modifies the requirements for the issuance of a Class D license by requiring the completion of a free course approved by the Oklahoma Department of Transportation on teen driver work zone and first responder safety.

Prepared By: Brad Wolgamott

Fiscal Analysis

HB 2418 requires individuals applying for the issuance of a Class D driver license from Service Oklahoma to complete a free course on teen driver work zone and first responder safety that has been approved by the Oklahoma Department of Transportation. Per Service Oklahoma, this additional requirement would have no direct fiscal or revenue considerations for the state.
