HB 2431 allows a nonviolent offender to be authorized to submit an application for commutation once every two years.

Fiscal Analysis

This measure would allow nonviolent offenders to be authorized to submit an application for commutation once every two years. With more opportunity for commutations, HB2431 creates the potential for less incarcerations within the DOC thereby reducing costs. In its current form, HB2431 is not anticipated to have an impact on state budget or appropriations.
